Unit 18th Bn Completed years of service Where and how long 24/12

Date of admission May 23/18. Date of discharge Jul 12/18.

Diagnosis Ankylosis of right shoulder Place of origin France

CONDITION ON ADMISSION AND PROGRESS OF CASE

He was hit in the back by a H.E. splinter on Nov. 10/17 & the splinter passed in under the rt scapulae and came out make a large wound in front of the right shoulder. The Humerus was dislocated - Sub coracoid

On admission to the hospital there is a circular scar 1" in diameter at the edge of the Scapula where the bullet entered. There is a scar 5" in length in front of the right shoulder the point of exit.
In the Axilla there is a long operation scar for drainage. X ray shows the head of the humerus in front of the glenoid fossa and under the coracoid process of the Scapula. The bones are ankylosed and there is no movement of the shoulder joint. The shoulder muscles are wasted. The grip of hand is normal. He cannot put his hand to his mouth. He has pain in the joint - on damp weather

CASE H[illegible] SHEET.

Spadina Military Hospital. October 3rd 1918 Station.

No. Rank Captain Name EASTWOOD, V. Mc Age 22

Unit Completed years of service Where and how long C. 16.12 E. 9/12 F. 15/12

Date of admission 2-10-18 Date of discharge

Diagnosis S. W. Right shoulder Place of origin

CONDITION ON ADMISSION AND PROGRESS OF CASE Admitted from Mil. Ward T.G.H. 2-10-18

OCT 3 - 1918

G.S.W. Shrapnel - right shoulder, Nov. 1917 - entered at spine of scapula & came out through glenoid cavity, dislocating the joint, & fracturing the scapula. Cleaning operation at C.C.S. & then sent to La Toque. Wound went septic 2 weeks after the injury, - treated by Carell Dakin for 2 months. To England Feb 20th 1918 Wound closed March, 1918, - Elbow joint was stiff & required massage in London for 1 month. To Buxton to await a boat. Sailed May 8th arrived 18th to O.C.H. May 25th. To T.G.H. for reoperation July 12th. Scar tissue removed, - no septic condition at that time. Boarded for 2 months leave Aug 1st. Shoulder went bad Sept 1st in Peterboro, - treated by civilian doctor for a week & sent back to T.G.H. as soon as he could travel. Operation at T.G.H. Sept 9th. Cross incision at spine of scapula through old scar. Drainage tube inserted. About 1½ pints of pus drained out. Drainage tube removed after 8 days. Wound now healed, & then epithelial growth covers scar. Transferred yesterday from T.G.H.

FAMILY HISTORY (Tuberculosis, mental or nervous diseases.) Rx. Two weeks leave for medical reasons, from Oct 5th to Oct 21st A.G.

OCT 28 1918 One weeks extension granted. Due to report today. A.G.

TREATMENT (Especially any specific or special form.) NOV 1 - 1918 Still away - wishes to be an In patient on his return. A.G.

NOV 4 1918 Patient has stretched his 2 weeks leave into 1 month, - for no reason other than his personal inclination. Rx. Notify to report as In patient. A.G.

NOV 7 1918 Seen by Col. Primrose, - Rx Hart House to increase mobility of shoulder.

CONDITION ON DISCHARGE (and disposal made of case.) NOV 18 1918 Treatment continued. General condition good. A.G.

FORM TO BE USED FOR OFFICERS

MEDICAL HISTORY OF AN INVALID

Station Base Hospital, Toronto

Date 9th July, 1918

MILITIA & DEFENCE
JUL 19 1918
H.Q. CANADA

1. (*a*) Unit 18th Battalion, CEF, #2 Cas.
   (*b*) Rank Captain
   (*c*) Surname E A S T W O O D (*d*) Christian name Vincent McCarter
2. Age last birthday 21 yrs. Date of birth Jan 4, 1897
3. Date of appointment to the C. E. F. (for officers of the C. E. F.) Feb, 1916
   Date of reporting for duty (for officers of the Active Militia attached to Units, for duty, or at Annual Training) Feb, 1916
4. Personal description:
   (*a*) Height 6' o" (*b*) Weight 176 lbs.
   (*c*) Complexion Dark (*d*) Colour of hair Dark Brown
   (*e*) Colour of eyes Brown (*f*) Scars or tattoo marks Birth mark rt.chest
5. (*a*) Address after being struck off the strength of the C. E. F. or after resignation (for use of the Board of Pension Commissioners) 610 George St, Peterboro, Ont.
   (*b*) Address of O. C Unit to whom notification of decision of Board of Pension Commissioners, Ottawa, is to be sent G.O.C., M.D.#2
6. Former trade or occupation Student

7. Service

	Years	Days
	Two	150

	Periods	
	From	To
93rd Battalion	Feb, 1916	Oct, 1916
18th Battalion	Oct, 1916	Nov 10, 1917
#2 Casualties	Nov 10, 1917	Present

2b

8. Disease or disability (use authorized nomenclature) Ankylosis of right shoulder
   (*a*) Date of origin Nov 10th, 1917 (*b*) Place of origin France
   (*c*) Cause High explosive splinter
9. Present condition. (Important, to be a full description of the present condition or conditions.)

Subjective: He has some pain in the shoulder in damp weat er. Sensation in the arm and hand is normal.

Objective: There is a circular scar 1" in diameter on the right side of the back at the ledge of the scapula, the point of entrance of the shell splinter. There is a broad scar 5" in length in front of the right shoulder, the result of the wound of exit. In the axilla there is an operation wound for drainage. The bones at the shoulder joint are fixed and no movement can be obtained. All the shoulder muscles are wasted. The movement of the forearm at the elbow are: Extension normal, flexion 135°. He cannot put his hand to his chin. Grip of the right hand is normal.

[After describing all abnormalities, anatomical and functional, contributing to incapacity (see Question 11) state whether such incapacity is directly due to (*a*) weakness, (*b*) loss (complete or partial) of an organ or member or of its functions, or (*c*) to the necessity for rest of the body or of some of its parts.]

SEE PAGE 4

B. P. C. FOLIO
FALSE DOCKET
3

M. F. B.380.
50M.—6 17.
1772—33—274.

10. Give a full description of wounds, scars, deformities, signs or symptoms, or abnormal conditions present, but not included in answer 8.
[Answer to this question cannot be made without stripping the officer and subjecting him to a thorough physical examination.]

Two small black birth marks on the right breast.

11. To what extent, state in percentages, is incapacity to earn a livelihood in the untrained labour market reduced? If there is more than one disabling condition, estimate the incapacity due to each and that due to all combined.

12. Did the disability arise on or off duty? On duty

13. Was a Court of Inquiry held? No

14. If the disabling condition had its origin before enlistment, has it been aggravated on service?

Yes Origin since enlistment No

(If the answer is in the affirmative, state in percentages, to what extent the pensioner is incapacitated by that aggravation.)

15. Was the disability caused or aggravated by negligence, by vice or by misconduct, or by unreasonable refusal to accept treatment? No

(If the answer is in the affirmative, state in percentages, to what extent the patient is incapacitated by that causation or aggravation. In answering this question, conduct sheets should be considered. If treatment has been refused, the circumstances surrounding the refusal should be described on page 4.)

16. What is the probable duration, in months, of the disability or of each of the disabling conditions if there is more than one? Permanent

17. Treatment (Case reports, general or special, should be secured and attached where possible).

Surgical treatment in France 3½ mths. Massage and electrical treatment and baths in England 3 months.
and at Base Hospital, Toronto for six weeks.

18. Is further treatment in hospital, convalescent home, etc., likely to be of material benefit?

Yes

19. Can the former trade or occupation be resumed? Not at present

20. Recommendations. For further treatment.

H Winter Capt

Medical Officer by whom the case is brought forward.

(Sections 8, 9 and 10 are to be read to the Officer.)

I, the undersigned..... Officer .....have heard the description of my disability read, and am satisfied (or not satisfied) with it. (If dissatisfied, statement should follow.) I complain in addition of

W M Eastwood

Signature of Officer examined.

674199

OPINION OF THE MEDICAL BOARD

21. Does the Board concur with the preceding report? If not, give differing opinions, with reasons, quoting the number of the answer criticized.

We concur

22. Is the Officer fit for (*a*) General service (Category A.) No (Yes or No.)
(*b*) Service abroad (not general service) (" B.) No (Yes or No.)
(*c*) Home service (Canada only) (" C.) No (Yes or No.)
(*d*) Temporarily unfit (" D.) Yes (Yes or No.)
(*e*) Unfit for service in Categories A, B and C. (" E.) No (Yes or No.)

23. It is certified that the Officer

(*a*) Does require treatment.
(*b*) ~~Does not require treatment.~~
(*c*) ~~Should pass under his own control.~~
(*d*) Should not pass under his own control.

(Strike out condition not applicable.)

24. It is recommended that the Officer be discharged. (When not for discharge add special recommendation.)

NO. We recommend that the Officer receive further surgical treatment.

1. In using this Form the "Instructions issued for the guidance of Medical Officers serving on Medical Boards" will be carefully followed.
2. The Medical Officer in charge of the case is responsible for the proper completion of pages 1 and 2 of this Form. The President of the Board of Medical Officers is responsible for the proper completion of the space, of page 3, reserved for recording the Proceedings of a Board of Medical Officers.
3. In answering the questions, Medical Officers will carefully obtain and record the officer's statements concerning his condition. They will distinguish observations made by themselves from hearsay. They will distinctly state the authority for statements not resulting from their personal observation; it must be made clear whether such statements are obtained from the officer concerned, from witnesses, or from documents.
4. If a complete answer to any question requires more space than that reserved for it, the answer may be continued on the blank space at the foot of this page.
5. The nomenclature of diseases to be followed is that described in "List of Diseases, printed in the order in which they appear in the Annual Report on the Health of the Army", published in London, (1915) by Messrs. Harrison & Sons.

Present condition(continued)

X-Ray examination shows: The head of the humerus to be dislocated forward under the coracoid process of the scapula. The plates do not show any fracture of the humerus or scapula.

Heart, Lungs and other systems normal.

Incapacity is due to the loss of use of his right arm.

7. Date of origin of disability 10-11-17
8. Place of origin of disability Passchendaele
9. Give concisely the essential facts bearing on the history of the disability (personal and family history, etc.) :—

NOTE.—Boards subsequent to the first should record here the progress of the case since the officer's last appearance.

Adm. 2nd Western General Hosp. Manchester 21-2-18. M.C. reports a comminuted fracture of R. scapula involving glenoid cavity. No fracture of humerus. Shrapnel entered at the vertebral border of R. scapula passing outward through the anterior aspect of the shoulder joint (involving glenoid cavity). X-ray shows a partial sub-glenoid dislocation.

OPINION OF THE MEDICAL BOARD.

NOTES.—(i.) **The Board will on no account inform the officer of its opinion on any of the following questions.**

(ii.) Clear and decisive answers should be filled in by the Board to enable the Ministry of Pensions to come to a reliable decision on the officer's claim to pension, etc.

(iii.) Expressions such as "may," "might," "probably," should be avoided, if possible.

(iv.) When there is more than one disability the replies will distinguish between them.

I concur in the findings of the Board of Medical Officers here recorded. Captain, D.A.D.M.S. for D.M.S. Canadians,

10. Was the disability contracted (a) before entering the service? No

(b) in the service? Yes

11. Was it attributable to military service? Yes

If so, to what specific military conditions is it attributed? G.S.W. Shrapnel

[Enteric Fever, Dysentery, Malaria, &c., contracted on service in countries where there is a special liability to the disease are to be regarded as attributable to military service.]

12. If not attributable to, was it aggravated by, military service? No

If so, by what specific military conditions?

13. Is it attributable to, or aggravated by, the officer's own negligence or misconduct? If so, in what way, and to what extent? No

B. P. C. FOLIO FALSE DOCKET

[P.T.O.

67419

R. C. MAY 20 1917

14. What is the officer's present condition? General condition good. Wounds are healed. Two wounds on the anterior & outer aspects of the joint involve the deltoid. There is considerable wasting of the shoulder girdle muscles. There is no movement in the shoulder joint.

Recommendation: Invaliding to Canada should travel by Hospital Ship. Waiting case.

15. To what degree is the officer disabled at the present time? Na

(Degrees of disablement should be expressed in the following percentages—100, 80, 70, 60, 50, 40, 20, under 20, or nil.)

16. Is the disability permanent? No

17. If not permanent, how soon is re-examination recommended? Na months.

18. Is it necessary that the officer should be re-examined by the same Board? No

19. What treatment is the officer receiving, and where, and from whom? Hospital.

20. Is the officer in need of special medical treatment of any kind, and, if so, of what nature? Yes, Massage &c. Freeing of head of humerus should be considered.

21. Does the officer require the constant attendance of another person? No

22. Officers will be classified by the Medical Board under one of the following categories, the probable period of unfitness for the higher categories being stated. Explanation of these categories is in para. 5 of A.C.I. 1677/1917. In case of nurses, omit B. and (i) and (ii) of E.

A.—Fit for general service. No, eight months

B.—Fit for service in a garrison or labour unit abroad. No, eight months

C.—Fit for home service :—
(i) Active duty with troops. No, six months
(ii) Sedentary employment only. No, six months

D.—For admission to a command depot.

E.—Requiring indoor hospital treatment :—
(i) In an officers' military or auxiliary convalescent hospital.
(ii) In an officers' hospital.

F.—Permanently unfit for any further military service.

23. In the case of officers suffering from neurasthenia found permanently unfit, has A.C.I. 1289 of 1917 been complied with? Na

J. W. McIntosh Capt. Cave Sr. President.

L. W. MacNutt Maj. Cave

F. Rogers Capt. Cave } Members.

DEPARTMENT OF SOLDIERS' CIVIL RE-ESTABLISHMENT

MEDICAL HISTORY OF AN INVALID

INSTRUCTIONS WHICH MUST BE READ BY MEDICAL REPRESENTATIVES, I. S. C.

In-patients and Out-patients on strength of the I.S.C. will be boarded on discharge from treatment in cases where pensionable disability has changed or developed since admission to treatment.

In other cases Medical Boards will be called for when, for special reasons, same are considered necessary.

1. In using this Form the "Instructions issued for the guidance of Medical Officers serving on Medical Boards" issued by the B.P.C. and instructions issued by the Invalided Soldiers Commission and Militia H.Q., Ottawa, will be carefully followed.
2. In answering the questions, Medical Representatives, I.S.C. will carefully obtain and record the man's statements concerning his condition. They will distinguish observations made by themselves from hearsay. They will distinctly state the authority for statements not resulting from their personal observation; it must be made clear whether such statements are obtained from the man concerned, from witnesses, or from documents.
3. Special care is required in answering question 9. Please read the questions carefully. All questions must be answered.
4. If space provided under any section is insufficient, use blank space, page 4.
5. Under no circumstances may information other than that in sections 8, 9 and 10 be communicated to the man, directly or indirectly. The Medical Representative, I.S.C. will obtain the signature of the man to the "Statement", page 4.
6. The nomenclature of diseases must be followed, if possible, as described in "List of Diseases" printed in the order in which they appear in the Annual Report on the Health of the Army, published in London, (1915), by Messrs. Harrison & Sons.

STATION Toronto DATE 21 January 1919.

1. (a) Former Unit 57th Regiment. (b) Regimental No. (c) Rank Captain.

(d) Surname EASTWOOD (M.C.) (e) Christian name Vincent McCarter.

2. Age last birthday 22 Date of birth 4th January 1897.

3. Enlisted at Peterborough. on 20 January 1916.

4. Personal description:—

(a) Height 6ft. (b) Weight (stripped) 166 (c) Complexion Dark.

(d) Colour of hair Black. (e) Colour of eyes Brown. (f) Identification marks Scar on right shoulder.

Home Address.

5. ~~Present address~~ 610 George St., Peterborough, Ont.

Address of next of kin 610 George St., Peterborough, Ont.--N.O.K.--Father, Mr. V. Eastwood.

6. Former trade or occupation Student.

7. (a) Service	Years.	Days.
	3	1

	Periods	
	From	To
In Canada	20 January 1916	20 July 1916.
In England 20 July 1916 to 18 Oct. 1916.	20 February 1918	5 May 1918.
In France	18 October 1916	20 February 1918.
In Other Parts Canada.	5 May 1918.	Present date.

(b) Date of Discharge ..... Pension No. ..... Pension Class .....

8. Original disease or injury G.S.W. Right shoulder.

(a) Date of origin 10-11-17. (b) Place of origin Passchandael (c) Cause Shrapnel.

(d) Present disability Here state the exact nature of the disability resulting from the disabling condition:— (a) Weakness, slight, moderate, marked, etc. (b) Loss, complete or partial, of an organ or member or of its functions. (c) Necessity for rest of the body, or of some of its parts, for therapeutic reasons.

Impaired function right arm.

This Form is to be completed in quadruplicate and forwarded to Unit Medical Director for approval and disposal as follows:

1. Direct to B.P.C. Ottawa.
2. Local fyle District Office B.P.C.
3. Unit Medical Director I.S.C.
4. Head Office, I.S.C.

9. Present condition (a)
(Important, to be a full description of the present disabling condition or conditions only. "History" must be recorded in Section 10. Describe all abnormalities, congenital and functional, contributing to present disability. Objective findings are to be stated first, then subjective findings.)

OBJECTIVE:- Completely ankylosed right shoulder joint. Abduction of arm to 45 degress. Movement forward to 45 degrees, backward to 10 degrees, but all movements are of the scapula. General atrophy of shoulder with considerable atrophy of deltoid. X-Ray report attached. Flexion and extension of elbow joint each reduced 5 degrees.

SUBJECTIVE:- Limitation of movement of right arm with weakness of limb. Occasional pain about shoulder.

(b) Has the man, now, any affection of the following systems?
(Answer yes or no.—If the answer to any part is yes, give a brief description of the present condition, if not described above.)

Nervous System No. Cardio-Vascular System No. (If pulse rate abnormal, B.P. will be taken). Genito-Urinary System No. (Albumin and sugar will be excluded)

Special Senses No. Resporatory System No. Integumentary System No.

Disturbances of Mentality No. Digestive System No. Muscular System No.

Osseous and Joint System No. Any other general condition? No.

Has he ever been exposed to gas? When? Where?

10. History (a) (of condition referred to in (a) Section 9)

Documents giving complete history not available. Med.report of 9-7-18 states that X-Ray examination shows head of humerus to be dislocated forward under coracoid process. Plates do not show any fracture of humerus or scapula. Med.report of 2-8-18 states that a scar 5" long was excised from front of right shoulder.On 9-9-18 a large abscess above and internal to right scapula posteriorly was opened and drained.

(b) (Here give a complete history, with dates of origin, of any affection from which the man has suffered, either prior to, or since enlistment, and not included in answer to section 10 (a) above.)

Had influenza in Oct.1918. Complete recovery.

(b) (Here give a description of wounds, scars, and deformaties. This section cannot be completed without stripping the man, and subjecting him to a thorough physical examination.

(1) Operation scar 5" long over anterior aspect rt.shoulder(2)Scar of entrance semicircular 3"x2"behind,along vertibral edge of scapula. (3)Operation scar 3"long just below point of shoulder.

11. (a) Did the disabling condition have its origin before enlistment? No.

(b) If so, has it been aggravated on service?
(If aggravated, give a description, as far as it is possible to do so, of the disabling condition at time of enlistment.)

Not applicable.

12. Was the disability caused or aggravated; (a) by intemperance, or improper conduct; or, (b) by unreasonable refusal to accept treatment? (If so, state in percentages the extent of the incapacity resulting from this cause.)

No.

13. What is the probable duration, in months, of the disability?

Permanent.

14. Treatment: if the man has received any treatment since discharge from His Majesty's Forces.

(a) Where treated Hospital since 10-11-17 in France. England and Canada until 22-12-18: 3 months treatment in Hart House.

(b) Duration of treatment: from to

(c) Nature of treatment

(d) Results of treatment

15. Is further treatment in hospital, convalescent home, etc., likely to be of material benefit?

No.

16. Can the former trade, or occupation, be resumed? Yes.
(If not briefly state why.)

17. (a) If the man requires any orthopædic accessories, state exact requirements

(b) If any such have been supplied, state date
(If not, and an appliance is required, I.S.C. Form 144 should be completed.)

18. (a) Is the identity of the man satisfactory?

(b) Has the discharge certificate been presented?

19. Recommendations is fit for Home Service Category C.1.

20. It is certified that the soldier

(a) ~~Does require treatment~~. (Give the nature of the condition and of the treatment required and its probable duration.)

(b) Does not require treatment.

(c) ~~Should pass under his own control~~

(d) Should not pass under his own control.
(Strike out condition not applicable).

9. Present condition (*a*) (Important to be a full description of the present disabling condition or conditions only.) "History" must
(Describe all abnormalities, anatomical and functional contributing to present disability. Objective findings to be stated first then subjective find

Subjective: He has some pain in the shoulder in damp weather. Sensation in the arm and hand is normal.

Objective: There is a circular scar 1" in diameter on the right of the back at the ledge of the scapula, the point of entrance of the shell splinter. The broad scar 5" in length in front of the right shoulder, the wound of exit was exercised at the Toronto General Hospital by Col. Primrose. There is an operation scar for drainage, in the axilla. The bones of the shoulder joint are fixed and no movement can be obtained. All the shoulder muscles are wasted. He cannot put his hand to his chin. Grip of the right hand is normal. Heart, lungs and other systems normal. [illegible]

(*b*) Are the following systems normal? If not, briefly state abnormality

Nervous ..... Digestive ..... Respiratory ..... Circulatory
(If pulse rate abnormal B.P. will be taken.)

Genito-Urinary ..... Skin, Middle Ear, Eye or any other part
(Albumen and sugar will be excluded.)

Report of Consulting Surgeon, Base Hospital, Toronto.

"This Officer has ankylosis of the left shoulder in two directions, which will require subsequent operation. Recommend: Two months sick leave at home, to return at the end of that time for further operative treatment."

10. History: (*a*) of Condition referred to in "*a*" section 9.)

TWO small black birth marks on the right breast.

Was operated upon at Toronto General Hospital, by Col. Primrose and scar along front of shoulder excised.

(*b*) Here give a complete history as secured from the officer with dates of origin of any affection or injury from which the officer has suffered either prior to or since enlistment and not included in 10 (*a*).

Did the disability arise on or off duty? On duty.

Was a Court of Inquiry held? No.

(*c*) Here give a description of wounds, scars, deformities, and signs and symptoms of abnormal conditions present and not included in answer 8.
This section cannot be completed without stripping the officer and subjecting to a thorough physical examination.

11. If the disabling condition had its origin before enlistment, has it been aggravated on service? (If so give a description as far as it is possible to do so, of the disabling condition at time of enlistment.)

Origin since enlistment

12. Was the disability caused or aggravated by negligence, by vice or by misconduct, or by unreasonable refusal to accept treatment? No.
Personal documents will be referred to.
(If the answer is in the affirmative, state in percentages, to what extent the officer is incapacitated by that causation or aggravation. If treatment has been refused, the circumstances surrounding the refusal should be described on page 4.)

13. What is the probable duration, in months, of the disability or of each of the disabling conditions, if there is more than one? 2 months

14. Treatment (Case reports, general or special, should be secured and attached where possible.)

Surgical treatment in France 3½ months. Massage and electrical treatment and baths in England for three months. At Base Hospital Toronto for 9 weeks.

s further treatment in hospital, convalescent home, etc., likely to be of material benefit?
(If the answer is "yes" state nature of treatment required and probable duration)

16. Can the former trade or occupation be resumed? Not at present.
If not, briefly state why

17. Recommendations For further treatment.

R. G. Shields
Medical officer by whom the case is brought forward.

STATEMENT OF THE OFFICER

(Sections 8, 9 and 10 are to be read to the officer and either "satisfied" or "not satisfied" struck out.

I, the undersigned Officer have heard the description of my disability and present condition read, and am satisfied (or not satisfied) with it. (If dissatisfied, statement should follow). I have not withheld any information concerning any affection from which I suffered either prior to or during service. I complain in addition of

10. Give a full description of wounds, scars, deformities, signs or symptoms, or abnorma[illegible] present, but not included in answer 8.
[Answer to this question cannot be made without stripping the officer and subjecting hi[illegible] thorough physical examination.]

Two small black birth marks on the right breast.

Was operated upon at Toronto General Hospital, by Col. Drimrose and scar along front of shoulder excised.

11. To what extent, state in percentages, is incapacity to earn a livelihood in the untrained labour market reduced? If there is more than one disabling condition, estimate the incapacity due to each and that due to all combined.

12. Did the disability arise on or off duty? On duty

13. Was a Court of Inquiry held? no

14. If the disabling condition had its origin before enlistment, has it been aggravated on service?

Yes Origin since enlistment No

(If the answer is in the affirmative, state in percentages, to what extent the pensioner is incapacitated by that aggravation.)

15. Was the disability caused or aggravated by negligence, by vice or by misconduct, or by unreasonable refusal to accept treatment? no

(If the answer is in the affirmative, state in percentages, to what extent the patient is incapacitated by that causation or aggravation. In answering this question, conduct sheets should be considered. If treatment has been refused, the circumstances surrounding the refusal should be described on page 4.)

16. What is the probable duration, in months, of the disability or of each of the disabling conditions if there is more than one? 2 months

17. Treatment (Case reports, general or special, should be secured and attached where possible).

Surgical treatment in France 3½ months. Massage and electrical treatment and baths in England for three months. At Base Hospital, Toronto for 9 weeks.

18. Is further treatment in hospital, convalescent home, etc., likely to be of material benefit?

Yes

19. Can the former trade or occupation be resumed? Not at present.

20. Recommendations.

For further treatment

R G Shields

Medical Officer by whom the case is brought forward.

(Sections 8, 9 and 10 are to be read to the Officer.)

I, the undersigned Officer have heard the description of my disability read, and am satisfied (or not satisfied) with it. (If dissatisfied, statement should follow.) I complain in addition of

J M E Eastwood

Signature of Officer examined.

Director General of Medical Services.

1. In using this Form the "Instructions issued for the guidance of Medical Officers serving on Boards" will be carefully followed.

2. The Medical Officer in charge of the case is responsible for the proper completion of pages 1 and this Form. The President of the Board of Medical Officers is responsible for the proper completion of the space, of page 3, reserved for recording the Proceedings of a Board of Medical Officers.

3. In answering the questions, Medical Officers will carefully obtain and record the officer's statement concerning his condition. They will distinguish observations made by themselves from hearsay. They will distinctly state the authority for statements not resulting from their personal observation; it must be made clear whether such statements are obtained from the officer concerned, from witnesses, or from documents.

4. If a complete answer to any question requires more space than that reserved for it, the answer may be continued on the blank space at the foot of this page.

5. The nomenclature of diseases to be followed is that described in "List of Diseases, printed in the order in which they appear in the Annual Report on the Health of the Army", published in London, (1915) by Messrs. Harrison & Sons.

Report of Consulting Surgeon, Base Hospital, Toronto.

"This Officer has ankylosis of the left shoulder in two directions, which will require subsequent operation. Recommend: Two months sick leave at home, to return at the end of that time for further operative treatment."

FORM TO BE USED FOR OFFICERS

MEDICAL HISTORY OF AN INVALID

INSTRUCTIONS WHICH MUST BE READ BY MEDICAL OFFICERS

In this Form the "Instructions issued for the guidance of Medical Officers serving on Medical Boards" issued by the B.P.C. and instructions issued by Militia H.Q., Ottawa, will be carefully followed.

The Medical Officer in charge of the case is responsible for the proper completion of Sections 1 to 17 of this Form and will obtain the signature of the officer to the "Statement," page 3. The President of the Board of Medical Officers is responsible for the proper completion of sections reserved for recording the "Opinion of the Medical Board."

In answering the questions, Medical Officers will carefully obtain and record the soldier's statements concerning his condition. They will distinguish observations made by themselves from hearsay. They will distinctly state the authority for statements not resulting from their personal observation; it must be made clear whether such statements are obtained from the soldier concerned, from witnesses, or from documents.

4. If space provided under any sections is insufficient use blank space, page 4 or add another sheet. Such entries or sheets must be initialled by the Medical Board.
5. A note will be made of attached papers by the Medical Board under the section "Opinion of Medical Board."
6. Under no circumstances may information other than that in sections 8, 9 and 10 be communicated to the soldier, directly or indirectly.
7. The nomenclature of diseases must be followed, if possible, as described in "List of Diseases printed in the order in which they appear in the Annual Report on the Health of the Army," published in London, (1915), by Messrs. Harrison & Sons.
