The Board having assembled pursuant to order, proceed to the examination of Pte. Clarkson.

Pte. Clarkson being called states:—

I joined the 31st Battln. 16th Nov. 1914. Felt pain in left knee about end of November. Knee was not swollen. Felt it all the time. Particularly after marching. This condition got worse and worse. and I was admitted to Hospital in March, and had a plaster cast put on knee joint. I was discharged from Hospital and detained in Barracks. Plaster was on for about three weeks. without effect At this time had pain in shoulders, elbow, and various joints of body. I was admitted to Hospital April 20th. A few of the smaller joints have been swollen and painful. My limbs and joints get stiff when I am lying down. Otherwise I feel pretty well.

Harry H. Clarkson

Capt. H. McGill being called states:—

I saw Pte. Clarkson at sick Parade March 23rd. He gave a history of having had pain and weakness of left knee since shortly after date of enlistment. I made a diagnosis of synovitis, and sent him to Hospital, and applied a plaster of paris cast. Was discharged from Hospital March 31st, and went on sick leave for several weeks still wearing cast. About middle of April, I removed plaster cast, but condition of knee had not improved. I re-admitted Pte. Clarkson

Capt. H. McGill Testimony Continued

April 20th, He is still in Hospital and is now suffering from Polyarthritis (subacute)

Harold W. McGill Capt. A.M.C.

The opinion of the board of Medical Officers assembled to enquire into the case of Pte. H. H. Clarkson is that he is suffering from Polyarticular Rheumatism (subacute) And that he is unfit for further service on account of his present condition and the liability of a recurrance at any time.

The Board therefore recommends his discharge.

His disability will be total for a period of three months and partial for a further period of three months.

His earning capacity will probably be nil for a period of three months and one-half for a further period of three months.
