CONDITIONS.

The Great North Western Telegraph Company will receive not later than midnight **NIGHT LETTERS**, to be transmitted for delivery on the morning of the next day after their date at places where this company's offices are open on Sundays, and on the morning of the next ensuing business day at places where this company's offices are not open on Sundays, at rates still lower than its standard night message rates, as follows: the standard day rate for ten words shall be charged for the transmission of fifty words or less, and one-fifth of such standard day rate for ten words shall be charged for each additional ten words or less. The minimum charge for transmission over this company's lines of any **NIGHT LETTER** will be twenty-five cents for fifty words or less.

NIGHT LETTERS may, at the option of the telegraph company, be mailed at destination to the addressees, and the company shall be deemed to have discharged its obligation in such cases with respect to delivery by mailing such **NIGHT LETTERS** at destination, postage prepaid.

NIGHT LETTERS shall be written in plain English, or may be written in French between offices in Canada. Code language is not permitted.

APPROVED BY BOARD OF RAILWAY COMMISSIONERS FOR CANADA,
UNDER ORDER 162, DATED MARCH 30, 1916.

It is agreed between the sender of the message on the face of this form and this company that said company shall not be liable for damages arising from failure to transmit or deliver, or for any error in the transmission or delivery of any unrepeatable telegram, whether happening from negligence of its servants or otherwise, or for delays from interruptions in the working of its lines, for errors in cypher or obscure messages, or for errors from illegible writing, beyond the amount received for sending the same.

To guard against errors, the company will repeat back any telegram for an extra payment of one-half the regular rate; and, in that case, the company shall be liable for damages suffered by the sender to an extent not exceeding \$200, due to the negligence of the company in the transmission or delivery of the telegram.

Correctness in the transmission and delivery of messages can be insured by contract in writing, stating agreed amount of risk, and payment of premium thereon at the following rates, in addition to the usual charge for repeated messages, viz., 1 per cent. for any distance not exceeding 1,000 miles, and 2 per cent. for any greater distance.

This company shall not be liable for the act or omission of any other company, but will endeavor to forward the telegram by any other telegraph company necessary to reaching its destination, but only as the agent of the sender and without liability therefor. The company shall not be responsible for messages until the same are presented and accepted at one of its transmitting offices; if a message is sent to such office by one of the company's messengers, he acts for that purpose as the sender's agent; if by telephone, the person receiving the message acts therein as agent of the sender, being authorized to assent to these conditions for the sender. This company shall not be liable in any case for damages, unless the same be claimed, in writing, within sixty days after receipt of the telegram for transmission.

No employee of the company shall violate the foregoing.
