† Delete this word if no exceptions are to be made.

## Opinion of the Medical Board.

NOTES.—(i.) Clear and decisive answers to the following questions are to be carefully filled in by the Board, as it is essential that the Members of the Pensions and Claims Board should be in possession of the most reliable information to **enable them to decide upon the man's claim to pension.**

(ii.) Expressions such as "may," "might," "probably," &c., should be avoided.

(iii.) The rates of pensions vary according to whether the disability is attributed to wounds or injuries received or illness contracted (1) in the presence of the enemy, (2) on active service. It is therefore essential when assigning the cause of the disability to differentiate between them (*see* Articles 641 to 648 of the Canadian Pay and Allowance Regulations).

(iv.) In answering question 20 the Board should be careful to discriminate between disease resulting from military conditions and disease to which the soldier would have been equally liable in civil life.

20. (*a*) State whether the disability is the result of injuries received or illness contracted, (1) in the presence of the enemy, (2) on active service.

a1 No a2 No

(*b*) If due to one of these causes, to what specific conditions do the Board attribute it?

Not applicable

21. Has the disability been caused or aggravated by

(*a*) Intemperance? No

(*b*) Misconduct? No

22. Is the disability permanent? ~~Not applicable~~ Yes ?

23. If not permanent, what is its probable minimum duration?

Not applicable

*To be stated in months.*

24. To what extent is his capacity for earning a full livelihood in the general labour market lessened at present?

Some compared with capacity on enlistment.

*In defining the extent of his inability to earn a livelihood, estimate it at $\frac{1}{4}$, $\frac{1}{2}$, $\frac{3}{4}$, or total incapacity.*

25. If an operation was advised and declined, was the refusal unreasonable?

Not applicable

26. Do the Board recommend

(*a*) Fit for duty? No

(*b*) Fit for base duty? Yes

(*c*) Invalided to Canada? No

(*d*) Discharge as permanently unfit? No

27. Remarks.

Discharged: Owing to having been declared by Medical Board as fit for permanent base duty only and no suitable employment on such duty available, although fit for employment in civil life.

## Opinion of the Medical Board.

NOTES.—(i.) Clear and decisive answers to the following questions are to be carefully filled in by the Board, as it is essential that the Members of the Pensions and Claims Board should be in possession of the most reliable information to **enable them to decide upon the man's claim to pension.**

(ii.) Expressions such as "may," "might," "probably," &c., should be avoided.

(iii.) The rates of pensions vary according to whether the disability is attributed to wounds or injuries received or illness contracted (1) in the presence of the enemy, (2) on active service. It is therefore essential when assigning the cause of the disability to differentiate between them (*see* Articles 641 to 648 of the Canadian Pay and Allowance Regulations).

(iv.) In answering question 20 the Board should be careful to discriminate between disease resulting from military conditions and disease to which the soldier would have been equally liable in civil life.
