### PRESENT CONDITION.

This o.r. is a negro, and was sent into Bramshott Mil Hosp, as a mental case 9-8-17 and has been there under observation to date. His m.c.o states that "he is sane enough, but mentally defective". And "He is considered quite fit for labor, but his present category A.II is obviously too high". He admits to smoking freely and inhales. This evidently affects his heart-action which is excited. Otherwise his heart is normal, and he is strong and well developed. He is depressed and morose looking, and is apathetic as to his disposal.

Board recommends: B.II
