13. Medical report on invalid (if any)
(Army Form B. 179)
14. Copy of receipt for purchase money (if any)
15. Attestation of fraudulently enlisted man for corps in which he has not been held to serve (if any)
16. Detailed statement of former service allowed to reckon towards pension (if any)
17. Copy of 3rd page attestation (in the case of men from abroad entitled to deferred pay who go to Netley or the discharge depôt for discharge)
18. Descriptive return (Army Form D. 400), where required
See section 11 on second page
19. Active service casualty form
(Army Form B. 103)
20. Employment sheet
(Army Form B. 2066)

In the case of recruits who are rejected before, or on, final approval, the discharge documents will consist of—

1. Duplicate attestation.
(On third page the date and cause of discharge will be entered and signed by the competent military authority)
2. Medical history sheet (if any)
(Army Form B. 178)

Instructions as to the preparation, despatch,
and custody, of discharge documents.

1. When a soldier is to be discharged, the documents retained with the duplicate attestation will be placed inside this form. Should any of the documents be missing, an explanation of the deficiency, signed by the commanding officer, must be substituted for the missing document. The Officer in charge of records will then extract from the original attestation, any documents required to complete the list of discharge documents enumerated in the margin, which will then be placed in this form in the sequence given.

2. When men are discharged from the colours at home as medically unfit, or with claims to pension, Army Form B. 268 will be sent confirmed, together with the duplicate attestation and documents retained therein to the officer in charge of records 10 days in advance of the date for discharge in the case of invalids, and 14 days in other cases. This officer will then extract from the original attestation any documents required to complete the list of discharge documents enumerated in the margin, place them in this form, and after carefully checking the duplicate attestation with the original forward the whole to the Secretary, Royal Hospital, Chelsea. When such men are discharged abroad, the same procedure will be adopted as above, with the exception that the discharge documents will be sent to the officer in charge of records immediately after discharge takes place (except in the case of men who are granted gratuities on discharge from local battalions or companies, Royal Artillery).

3. When soldiers are sent home from abroad for discharge, the documents retained with the duplicate attestation will be placed inside this form and sent home with the men for transmission to the officer who carries out the discharge together with the following additional forms:—

- (a) Discharge certificate (Army Form B. 2079 or Army Form B. 264).
- (b) Character certificate (Army Form B. 2067) if entitled.
- (c) Copy company conduct sheet (Army Form B. 121) when required under King's Regulations.

The duplicate attestation and documents retained therein will be sent to the officer in charge of records, who will extract from the original attestation any documents required to complete the list of discharge documents enumerated in the margin and place them in this form.

4. The discharge documents of re-enlisted pensioners, on re-discharge, will be sent to the officer in charge of records, who will extract from the original attestation any documents required to complete the list of discharge documents enumerated in the margin, place them inside this form, and forward the whole to the Secretary, Royal Hospital, Chelsea, irrespective of the cause of discharge.

5. The original and duplicate attestations of recruits who are rejected before, or on, final approval will be retained by the approving officer for one year, when they will be destroyed.

6. In all other cases the discharge documents will be sent, directly the discharge is carried out, to the officer in charge of records of the unit concerned.

7. Postage need not be paid, and receipts are not required, in the case of documents sent to Chelsea or to the War Office.

8. When the discharge documents of men not entitled to pension are sent to the officer who will have final charge of them, they are to be accompanied by Army Form B. 279, and that officer will, if they are found to be correct, sign and return Army Form B. 279. Should any document be missing, he must at once apply for it.

9. The officers having final charge of the discharge documents will arrange them according to regimental numbers, and enter the names in the alphabetical index, Army Book No. 129.

To be used for recruits enlisting direct into the Regular Army only.
 Army Form B. 178a to be used for Special Reserve recruits and
 Special Reservists enlisting into the Regular Army.

Opinion of the Medical Board.

NOTES.—(i.) Clear and decisive answers to the following questions are to be carefully filled in by the Board, as, in the event of the man being invalided, it is essential that the Commissioners of Chelsea Hospital should be in possession of the most reliable information to enable them to decide upon the man's claim to pension.

(ii.) Expressions such as "may," "might," "probably," &c., should be avoided.

(iii.) The rates of pension vary directly according to whether the disability is attributed to (a) active service, (b) climate, or (c) ordinary military service. It is therefore essential when assigning the cause of the disability to differentiate between them (see Articles 1162 and 1165, Pay Warrant, 1913).

(iv.) In answering question 20 the Board should be careful to discriminate between disease resulting from military conditions and disease to which the soldier would have been equally liable in civil life.

(v.) A disability is to be regarded as due to climate when it is caused by military service abroad in climates where there is a special liability to contract the disease.

20. (a) State whether the disability is the result of (i.) active service, (ii.) climate, or (iii.) ordinary military service.

active service

(b) If due to one of these causes, to what specific conditions do the Board attribute it?

this man had a bad cold & constantly exposed to fresh colds

21. Has the disability been aggravated by

(a) Intemperance?

no

(b) Misconduct?

no

22. Is the disability permanent?

may improve - gradually after a long rest

23. If not permanent, what is its probable minimum duration?

- Permanent -

To be stated in months.

24. To what extent is his capacity for earning a full livelihood in the general labour market lessened at present?

total incapacity

In defining the extent of his inability to earn a livelihood, estimate it at $\frac{1}{4}$, $\frac{1}{2}$, $\frac{3}{4}$, or total incapacity.

24A. Is the man suffering from a disability which would obviously, as far as you can judge, cause him to be rejected by an Approved Society under the National Health Insurance Act?

yes

25. If an operation was advised and declined, was the refusal unreasonable?

—

26. Do the Board recommend

(a) Discharge as permanently unfit,

or

(b) Change to England?

discharged as unfit - in service in Egypt

Year	Unit. 16th Batt.		Age. 35	Service.
Station and Date.	Disease Certificate Discharge 8th April 1915 No. 28736 at Tidworth.			
	Claims to have contracted the disease at Salisbury Plain and was discharged as unfit April 8/15.			
	Symptoms then were cough and expectoration with occasional streaks of blood. Midnight sweats at that time. Thinks he lost some weight since last January. Worked in Cardiff Post Office for ten days in May but had to quit. Appetite is good.			
	<u>Present Condition:</u>			
	Still has cough. Had tonsilitis and influenza two weeks ago. Not spitting so much now. Better than on discharge though.			
	<u>Examination of Chest:-</u> Oedema of both bases posteriorly. Marked pulsation over praecordia. Moderately enlarged left ventricle. Markedly accentuated 2nd sound (aortic) but no murmurs. A little cyanosis of face and finger tips. No clubbing but uncurving of finger tips. Pulse 90 standing. Is suffering from cardiac insufficiency - arterio sclerosis.			
	The Board is of the opinion that the discharge was justified.
