PART III. 5771

Statement of the Soldier

(This is to be completed only in the case of the Soldier taking his Discharge in England.)
(Sections 1, 2, 5, and 6 are to be read to the Soldier.)

I, the undersigned.....have heard the description of my disability read, and am satisfied (or not satisfied) with it. (If dissatisfied, statement should follow.) I complain in addition of :—

.....
Signature of Soldier examined.

Instructions to Medical Officers

Question 1.—State the disability in terms of a diagnosis, that is, a diagnosis of the existing condition as distinguished from the disease or injury which caused it. It should be noted that in medical cases the disability may be the actual disease; for example, Tubercle of Lung, Chronic Bronchitis, Myalgia, Gastric conditions and so forth. (Follow the nomenclature as laid down in the "List of Diseases" of 1915, and amended by A. C. I. No. 1587 of 1917.)

Question 2.—The cause of the disability when known should be stated and care should be taken to establish as correctly as possible the place and date of origin. This is important in view of the relationship of Questions 3 and 4 to Question 5.

Questions 3 and 4.—*NOTE*—By Active Service is meant Service with the Colours in Canada, the United Kingdom or elsewhere during the present war, (since the 4th August, 1914.)

Question 5.—MEDICAL HISTORY.—State concisely the essential points of the history of the case as supported by documentary evidence. If further evidence is considered necessary to complete the Medical History, the same not being supported by documents, this should be obtained by questioning the soldier, but should be distinctly shown as "Patient's Statement." It is considered advisable that these latter statements be grouped apart from the evidence supported by documents available to the Medical Officer.

Extracts should be made from all entries on the Medical History Sheet.

If answers to Nos. 2, 3 or 4 show that the Soldier is suffering from some condition which pre-existed enlistment, it is advisable that these answers be substantiated as far as possible by statements obtained from the Soldier showing history of previous illness or injury.

Question 6.—PRESENT CONDITION.—As this question is primarily intended for the Medical Officer's report, in answering show clearly the condition of the Soldier at the time of examination.

It is directed that the objective and subjective matter be arranged in separate groups. The objective matter is considered to be the more important, in that it consists of a statement of the Medical Officer's actual finding.

Specialists' reports bearing on the PRESENT CONDITION should be attached.

In addition to description of the disability, a report on "all systems" is required in order that the whole when completed may be a true pen portrait of the Soldier's condition.

The Medical Officer in charge of the case will fill out pages 1 and 2 of this Form. The original must be wholly in the handwriting of the Medical Officer. The copies may be typewritten but must be signed by the Medical Officer who must be responsible that these are true copies of the original.

Finally the O. C. Hospital or S. M. O. or an Officer delegated for such duty by the A. D. M. S., is required to sign a certificate at the bottom of page 2, which reads as follows :—

"I have satisfied myself of the general accuracy of this report and concur therewith, except....."

This is a most important part of the paper and one to which the attention of the Officers concerned should be frequently drawn as it is by such strict supervision that the accuracy and good results of Medical Board work can be assured.

INSTRUCTIONS WHICH MUST BE READ BY MEDICAL OFFICERS

1. In using this Form the "Instructions issued for the guidance of Medical Officers serving on Medical Boards" issued by the B.P.C. and instructions issued by Militia H.Q., Ottawa, will be carefully followed.
2. The Medical Officer in charge of the case is responsible for the proper completion of Sections 1 to 17 of this Form and will obtain the signature of the soldier to the "Statement," page 3. The President of the Board of Medical Officers is responsible for the proper completion of sections reserved for recording the "Opinion of the Medical Board."
3. In answering the questions, Medical Officers will carefully obtain and record the soldier's statements concerning his condition. They will distinguish observations made by themselves from hearsay. They will distinctly state the authority for statements not resulting from their personal observation; it must be made clear whether such statements are obtained from the soldier concerned, from witnesses, or from documents.
4. Special care is required in answering question 13. Please read the questions carefully. All questions must be answered.
5. If space provided under any sections is insufficient use blank space, page 4 or add another sheet. Such entries or sheets must be initialled by the Medical Board.
