PROCEEDINGS OF A MEDICAL BOARD assembled by order of _____

D. M. S., Canadians.

for the purpose of examining and reporting on the present state of a wound or injury sustained

by Lieut. C. G. MEAD, 49th Battalion.

at (Place of injury) Courcellette on the (Date of injury) 16-9-16.

The Board find that this Officer received a G. S. W. of ^odarsum of second toe, right foot, the bullet passing right through. He was sent to No.14, General Hospital, admitted to 4th London General Hospital about Sept. 17th. There is a fracture of the first phalanx of 2nd toe. The wound is practically healed.

The opinion of the Board upon the questions below is as follows:—

- 1.—Has the officer lost an eye or a limb; or has he permanently lost the use of an eye or a limb; or is the injury equivalent to the loss of a limb, and permanent, or likely to be permanent? (Articles 639 to 644 of the Royal Warrant for Pay, &c.)
- 2.—If the case does not come under the category of 1:—
 - (a) Was the injury, in the first instance, very severe in character?
 - (b) Are its effects still very severe?
- 3.—If the case is classified under category 2, are the effects of the injury permanent, or likely to be permanent? (Article 646.)
- 4.—Injuries that do not come under the above categories should be classified here, making use of the following terms:—*severe* or *slight* and *permanent* or *not permanent*, as the case may be.
- 5.—For what period, calculated from the date of the wound or injury, is it probable that the officer will be incapacitated for military duty by such wound or injury?

**INSTRUCTIONS to be observed by the Medical Board
preparing the Report.**

1. On the occasion of an officer's first appearance before a medical board, the circumstances under which the wound or injury was sustained will be fully detailed.

2. If the injuries be more than one, they should be numbered and described separately; and should it be considered that, though only "severe" or "slight" in themselves, they represent together the equivalent of a single "very severe" injury, such an opinion may be expressed in the columns provided for that purpose.

3. The board will not express any opinion, either to the Officer examined, or in their report, as to whether he is entitled to compensation, or as to the amount of it, nor will it inform the Officer how the wound or injury has been classified.
