He cannot walk a mile and with great difficulty can climb a hill. He walks stiffly and with a slight limp even on level surface such as a floor.

The opinion of the Board with reasons therefor is as follows:—

Is the Officer fit to perform any duties not coming within the above categories.?. If so, specify the nature of the duties which he might perform.
not applicable

(1.) a. Is he fit for service? no

b. If not fit, how long is he likely to be unfit? 3 months

(2.) a. Is he fit for service at home? no

b. If not fit, how long is he likely to be unfit for service at home? 2 months

c. Is he fit for light duty at home? Yes

d. If not so fit, how long is he likely to be unfit for light duty at home? not applicable

(3.) Was the disability contracted in the service? Yes

(4.) Was it contracted under circumstances over which he had no control? Yes

(5.) Was it caused by military service? Yes

(6.) If caused by military service, to what specific conditions is it attributed? G.S.W.

(7.) If the disability was not caused by military service, was it aggravated by it? not applicable

INSTRUCTIONS to be observed by the Medical Board preparing the Report.

---

1. On the occasion of an officer's first appearance before a medical board, the circumstances under which the wound or injury was sustained will be fully detailed.

2. If the injuries be more than one, they should be numbered and described separately; and should it be considered that, though only "severe" or "slight" in themselves, they represent together the equivalent of a single 'very severe" injury, such an opinion may be expressed in the columns provided for that purpose.

3. The board will not express any opinion, either to the Officer examined, or in their report, as to whether he is entitled to compensation, or as to the amount of it, nor will it inform the Officer how the wound or injury has been classified.

1. In using this Form the "Instructions issued for the guidance of Medical Officers serving on Medical Boards" will be carefully followed.
2. The Medical Officer in charge of the case is responsible for the proper completion of pages 1 and 2 of this Form. The President of the Board of Medical Officers is responsible for the proper completion of the space, of page 3, reserved for recording the Proceedings of a Board of Medical Officers.
3. In answering the questions, Medical Officers will carefully obtain and record the officer's statements concerning his condition. They will distinguish observations made by themselves from hearsay. They will distinctly state the authority for statements not resulting from their personal observation; it must be made clear whether such statements are obtained from the officer concerned, from witnesses, or from documents.
4. If a complete answer to any question requires more space than that reserved for it, the answer may be continued on the blank space at the foot of this page.
5. The nomenclature of diseases to be followed is that described in "List of Diseases, printed in the order in which they appear in the Annual Report on the Health of the Army", published in London, (1915) by Messrs. Harrison & Sons.

1. In using this Form the "Instructions issued for the guidance of Medical Officers serving on Medical Boards" will be carefully followed.
2. The Medical Officer in charge of the case is responsible for the proper completion of pages 1 and 2 of this Form. The President of the Board of Medical Officers is responsible for the proper completion of the space, of page 3, reserved for recording the Proceedings of a Board of Medical Officers.
3. In answering the questions, Medical Officers will carefully obtain and record the officer's statements concerning his condition. They will distinguish observations made by themselves from hearsay. They will distinctly state the authority for statements not resulting from their personal observation; it must be made clear whether such statements are obtained from the officer concerned, from witnesses, or from documents.
4. If a complete answer to any question requires more space than that reserved for it, the answer may be continued on the blank space at the foot of this page.
5. The nomenclature of diseases to be followed is that described in "List of Diseases, printed in the order in which they appear in the Annual Report on the Health of the Army", published in London, (1915) by Messrs. Harrison & Sons.

(Medical Officers will please read this Form carefully before using it. See instructions, page 4.)

(5506.) W. 14971/M. 89. 750M. 1/16. C. P., Ltd. Forms B. 178 39

P.T.O.

1. In using this Form the "Instructions issued for the guidance of Medical Officers serving on Medical Boards" will be carefully followed.
2. The Medical Officer in charge of the case is responsible for the proper completion of pages 1 and 2 of this Form. The President of the Board of Medical Officers is responsible for the proper completion of the space, of page 3, reserved for recording the Proceedings of a Board of Medical Officers.
3. In answering the questions, Medical Officers will carefully obtain and record the officer's statements concerning his condition. They will distinguish observations made by themselves from hearsay. They will distinctly state the authority for statements not resulting from their personal observation; it must be made clear whether such statements are obtained from the officer concerned, from witnesses, or from documents.
4. If a complete answer to any question requires more space than that reserved for it, the answer may be continued on the blank space at the foot of this page.
5. The nomenclature of diseases to be followed is that described in "List of Diseases, printed in the order in which they appear in the Annual Report on the Health of the Army", published in London, (1915) by Messrs. Harrison & Sons.

N/K (Wife) Mrs. E.M.Anderson. P.O.Box 148. Nelson, B.C.
