When men are discharged from the colours at home as medically unfit, or with claims to pension, Army Form B. 268 will be sent confirmed, together with the duplicate attestation and documents retained therein to the officer in charge of records 10 days in advance of the date for discharge in the case of invalids, and 14 days in other cases. This officer will then extract from the original attestation any documents required to complete the list of discharge documents enumerated in the margin, place them in this form, and after carefully checking the duplicate attestation with the original forward the whole to the Secretary, Royal Hospital, Chelsea. When such men are discharged abroad, the same procedure will be adopted as above, with the exception that the discharge documents will be sent to the officer in charge of records immediately after discharge takes place (except in the case of men who are granted gratuities on discharge from local battalions or companies, Royal Artillery,

3. When soldiers are sent home from abroad for discharge, the documents retained with the duplicate attestation will be placed inside this form and sent home with the men for transmission to the officer who carries out the discharge, together with the following additional forms :—

(*a*) Discharge certificate (Army Form B. 2079 or Army Form B. 264).
(*b*) Character Certificate (Army Form B. 2067) if entitled.
(*c*) Copy company conduct sheet (Army Form B. 121) when required under King's Regulations.

The duplicate attestation and documents retained therein will be sent to the officer in charge of records, who will extract from the original attestation any documents required to complete the list of discharge documents enumerated in the margin and place them in this form.

4. The discharge documents of re-enlisted pensioners, on re-discharge, will be sent to the officer in charge of records, who will extract from the original attestation any documents required to complete the list of discharge documents enumerated in the margin, place them inside this form, and forward the whole to the Secretary, Royal Hospital, Chelsea, irrespective of the cause of discharge.

5. The original and duplicate attestations of recruits who are rejected before, or on, final approval will be retained by the approving officer for one year, when they will be destroyed.

6. In all other cases the discharge documents will be sent, directly the discharge is carried out, to the officer in charge of records of the unit concerned.

7. Postage need not be paid, and receipts are not required, in the case of documents sent to Chelsea or to the War Office,

8. When the discharge documents of men not entitled to pension are sent to the officer who will have final charge of them, they are to be accompanied by Army Form B. 279, and that officer will, if they are found to be correct, sign and return Army Form B. 279. Should any document be missing, he must at once apply for it.
