INSTRUCTIONS.

1. These forms are to be completed in all cases of accidental or self-inflicted injuries, involving a soldier's absence from duty, whether due to the man's own act, or that of a comrade, or to other extraneous circumstances.

2. Where several casualties occur as the result of one accident, one form is to be completed for each Officer or other rank injured, but only one set of statements from the witnesses of the accident need be attached.

3. Full statements are to be taken by an Officer from the witnesses of the accident. These statements will be signed by the witnesses making them, and by the Officer who takes them, and will be forwarded with this Form. Where it is intended to take disciplinary action, copies of these statements should be retained by the Unit for use in lieu of a summary of evidence.

4. Where it is possible to obtain it, a statement from the injured man will also be forwarded. This, however, should not be used as evidence against him in any subsequent disciplinary proceedings.

Special Instructions as to Evidence in Cases of Self-Inflicted Wounds.

5. In these cases the statements mentioned in paragraphs 2 and 3 above should bring out all material points, *e.g.*, statements to the effect that the witness was with the accused standing on the fire step (or sitting in a dug-out); that the accused was cleaning his rifle; position of safety catch, magazine, etc., if known; muzzle of rifle on toe of foot; hand on muzzle; that accused pulled trigger; that the rifle was afterwards examined and an empty cartridge case was found in chamber; that accused was seen to be wounded; what accused said ("I have shot myself," "I did not know it was loaded," etc.).

6. A soldier is specially trained in the safe use of his rifle and revolver, and evidence of any neglect of the ordinary precautions as to their handling in such cases usually has considerable bearing on the question of negligence. In cases of wilful self-wounding the fullest possible evidence should be obtained; unless the evidence is conclusive this charge should not be used. The charge will therefore usually be laid under sec. 40 Army Act—"Conduct to the prejudice of good order and military discipline in wounding himself through negligently handling a rifle," and an alternative charge to this effect should be made, even if the accused is to be tried under section 18 for wilful maiming.

PRESIDENT.

Major J. C. Maclaren, C.F.C.

MEMBERS.

Lieut. J. C. Walklate, C.F.C.
Lieut. G. T. Harding, C.F.C.

IN ATTENDANCE.

The Court having assembled pursuant to order, proceed to take the following evidence:-

FIRST WITNESS.

Captain H. Wearne, O. i/c Iver Heat Detachment, 119 Coy., C.F.C.
being duly sworn, states as follows:-

On 31-10-18 about 1245 I gave No. 469458 Pte. Burchell, G. orders to take steam tractor BM 23447 with one trailer loaded with fuelwood to Langley Station. Pte. Burchell is the regular driver of this engine, and as a rule works with No.2184573 Pte. Morron, A.E. who steers. As Pte. Morron was in hospital I detailed 301937 Pte. Baird H. of 348 M.T. Coy. A.S.C., attached to 119 Company, C.F.C. who is a tractor driver, but his tractor was not working in the afternoon, to accompany Pte. Burchell and steer his tractor. I detailed the following men - 922530 Pte. Brown, H. 437235 Pte. Skeffington, F. and 126613 Pte. Groom, E.W. together with two German Prisoners, to work under Pte. Burchell, G. as a loading party.

About 1655 as I was returning from the bush I met L/Cpl. Ransan who told me that a telephone message has just been received to say that one of our men with the tractor had been killed. I ran up to the camp and Cpl. Baker told me he had just received a telephone message from Iver Cottage Hospital to say that one of our men had been killed by the tractor in Wood Lane near Mr. Horton's house.

I immediately proceeded to Iver Cottage Hospital by motor car, where I met the Police Sergeant from Iver. He took me in and I identified the body as that of No. 469458 Pte. Burchell, G. The Police Sergeant told me that he was quite dead when he got to the scene of the accident.

I returned to camp, notified 53 Dist. Hqrs. C.F.C., Canadian Record Office, London, and O.C. No. 119 Coy., C.F.C., Wendover.

This man was a most competent and sober man and thoroughly experienced in his work, and on the day of the accident was in charge of the party.

H. Wearne Captain.

SECOND WITNESS.

No. 301937, Pte. Beard, H., 348 Company (M.T.) A.S.C. on command to 119 Company, C.F.C. Iver Heath, being duly sworn, states as follows:-

At 1245 on 31-10-18 I was detailed by Captain Wearne to steer steam tractor BM 23447. No. 469458 Pte. Burchell, G. was detailed to drive this tractor. We had been down with one load of fuelwood to Lanlgey Station and at 1610 we were returning to camp with three empty trailers coming up Wood Lane when I saw Pte. Burchell suddenly get over the side of the tractor, without saying a word to me, and go towards the front. The next thing I felt the wheel of the tractor pass over him. He was driving and immediately I felt the jar I stopped the engine. I then saw Pte. Brown, who was part of the loading party, and was riding in the second trailer, jump down and pull Pte. Burchell out from behind the big wheel of the tractor.

In addition to Pte. Brown, Pte. Skeffington, Pte. Groom and two German Prisoners were riding in the trailers. They formed the loading party.

It is the custom of the steam drivers to do as Pte. Burchell did, to test his feed pump, this being the only reason he could have for being where he was when killed.

H. Beard Pte.
No. 301937.

THIRD WITNESS.

No. 922530 Pte. Brown, H. of 119 Company. Can. For. Corps. being duly sworn, states as follows:-

On 31-10-18 I was detailed by Capt. Wearne to work loading at Langley Station. We left Langley Station about 1545, tractor BM 23447 with three empty trailers, for camp. Pte. Burchell, G. was driving the tractor and Pte. Beard steering, riding the trailers were Pte. Skeffington, Pte. Groom and myself, of 119 Company, C.F.C and two German Prisoners. About 1610, I was riding in the second trailer, going up Wood Lane to the camp, when I saw Pte. Burchell, G. jump down on the off-side and go along towards the front of the engine. I saw him slip.

FINDING.

From the evidence submitted, the Court find:-

1. At the time of the accident No. 469458 Pte. Burchell, G. was on duty;
2. That he was not at fault;
3. That no disciplinary action be taken;
4. That any claim arising from the accident should be borne by Public Funds;
5. That no person or persons can be held in any way responsible for the accident.

[illegible] expenses in connection with the funeral should be a Public charge.
