Estimated percentage of Disability.....

Is this Disability due to Service.....No.....

If not due to service has it been aggravated by Service.....Yes.....

If "Yes" give percentage due to such aggravation.....

Will further treatment be of benefit...Yes...treatment to nose.....

Probable duration of Disability.....Permanent.....

Recommendation:-

I consider this condition not due to service but rather due to condition of his nose, which under service conditions has arisen earlier than it would have in private life. That is why I say aggravated by service.

Will further treatment be of benefit? Yes, treatment to nose
Probable duration of disability? Permanent.

Recommendation:- I consider this condition not due to service but rather due to condition of high nose, which under service conditions has arisen earlier than it would have in private life. That is why I say aggravated by service.

Sgt. S.H. Saunders, Captain.
