Statement of Case.

Note.—The answers to the following questions are to be filled in by the Officer in medical charge of the case. In answering them he will carefully discriminate between the man's unsupported statements and evidence recorded in his military and medical documents. He will also carefully distinguish cases entirely due to venereal disease.

9. Date of origin of disability. **14/3/16.**

10. Place of origin of disability. **Ypres. France.**

11. Give concisely the essential facts of the history of the disability, noting entries on the Medical History Sheet bearing on the case.

He was cleared to the 13th. General Hospital,Boulogne. being unconscious and was pperated on three days afterwards,trephining the skull at exit and entry of bullet. He remained in a semi-conscious condition for about two weeks. On the 4th. April he was trahsferred to King George Hospital, London. On the 12th. 2- G. S. W. Head.

13. What is his present condition?

Weight should be given in all cases when it is likely to afford evidence of the progress of the disability.

General health is good. He has no nervous or mental symptoms. The trephine wounds are healed, leaving a pulsating depression on each side of the vertex above the temples. On account of the serious injury to head advise his discharge from the service as the wisest procedure.

* Loss of teeth on, or immediately after, active service, should be attributed thereto, unless there is evidence that it is due to some other cause.

† Delete this word if no exceptions are to be made.

Opinion of the Medical Board.

NOTES—(i.) Clear and decisive answers to the following questions are to be carefully filled in by the Board, as it is essential that the Members of the Pensions and Claims Board should be in possession of the most reliable information to enable them to decide upon the man's claim to pension.

(ii.) Expressions such as "may," "might," "probably," &c., should be avoided.

(iii.) The rates of pensions vary according to whether the disability is attributed to wounds or injuries received or illness contracted, (1) in the presence of the enemy, (2) on active service. It is therefore essential when assigning the cause of the disability to differentiate between them (*see* Articles 641 to 648 of the Canadian Pay and Allowance Regulations).

(iv.) In answering question 20 the Board should be careful to discriminate between disease resulting from military conditions and disease to which the soldier would have been equally liable in civil life.

20. (*a*) State whether the disability is the result of injuries received or illness contracted, (1) in the presence of the enemy, (2) on active service. a1 Yes. a2 Yes.

(*b*) If due to one of these causes, to what specific conditions do the Board attribute it? G.S.W.

21. Has the disability been caused or aggravated by

(*a*) Intemperance? No.

(*b*) Misconduct? No.

22. Is the disability permanent? Yes.

23. If not permanent, what is its probable minimum duration? Not applicable.

To be stated in months.

24. To what extent is his capacity for earning a full livelihood in the general labour market lessened at present? Total.

In defining the extent of his inability to earn a livelihood, estimate it at ¼, ½, ¾, or total incapacity.

25. If an operation was advised and declined, was the refusal unreasonable? Not applicable.

26. Do the Board recommend

(*a*) Fit for duty? No.

(*b*) Fit for base duty? No.

(*c*) Invalided to Canada? No.

(*d*) Discharge as permanently unfit? Yes.
