The Court having assembled pursuant to order, proceed to take evidence

First Witness

719178 Pte Coffey J.J. having been duly sworn gives evidence as follows;- 13

I was threshing on the farm of Mr. McCormick's Dalesboro, Sask; on the 17th, September, 1918. We had just moved on to the place and in setting the portable engine, making a swing to come into line for the belt. I threw the belt out of the road and ran back to line it over the fly wheel. The engine was in motion at the time and I endeavored to line the fly wheel up with the separator while the engine was in motion. I was standing on the ground with my hand on the tool box thinking to save time in getting this alignment. In doing this I did not allow for the width of the rear wheel of the engine which was being drawn into position on the side of a knoll and the rear wheel caught my left ankle and instep before I had time to get clear.

I was driven in a car to Alameda and attend - ed by Dr. Galloway.

Second Witness

Dr.H.H. Galloway, [illegible] states;-

719178 Pte. Coffey,J.J. came to me on 17th September,1915 with a swollen foot, skin not broken but marked.

On examination I concluded that there was a fracture of one or two metatassal bones.I placed his foot in a splint and advised rest in bed for a few days,after which he went on crutches .I saw the foot about ten days after injury he had been putting some weight on it it was swollen more than when I attended it at first. He then rested for a week or ten days when I saw it again at that time it was considerably improved and swelling all gone.
