INSTRUCTIONS.

1. These forms are to be completed in all cases of accidental or self-inflicted injuries, involving a soldier's absence from duty, whether due to the man's own act, or that of a comrade, or to other extraneous circumstances.

2. Where several casualties occur as the result of one accident, one form is to be completed for each Officer or other rank injured, but only one set of statements from the witnesses of the accident need be attached.

3. Full statements are to be taken by an Officer from the witnesses of the accident. These statements will be signed by the witnesses making them, and by the Officer who takes them, and will be forwarded with this Form. Where it is intended to take disciplinary action, copies of these statements should be retained by the Unit for use in lieu of a summary of evidence.

4. Where it is possible to obtain it, a statement from the injured man will also be forwarded. This, however, should not be used as evidence against him in any subsequent disciplinary proceedings.

Special Instructions as to Evidence in Cases of Self-Inflicted Wounds.

5. In these cases the statements mentioned in paragraphs 2 and 3 above should bring out all material points, *e.g.*, statements to the effect that the witness was with the accused standing on the fire step (or sitting in a dug-out); that the accused was cleaning his rifle; position of safety catch, magazine, etc., if known; muzzle of rifle on toe of foot; hand on muzzle; that accused pulled trigger; that the rifle was afterwards examined and an empty cartridge case was found in chamber; that accused was seen to be wounded; what accused said ("I have shot myself," "I did not know it was loaded," etc.).

6. A soldier is specially trained in the safe use of his rifle and revolver, and evidence of any neglect of the ordinary precautions as to their handling in such cases usually has considerable bearing on the question of negligence. In cases of wilful self-wounding the fullest possible evidence should be obtained; unless the evidence is conclusive this charge should not be used. The charge will therefore usually be laid under sec. 40 Army Act—"Conduct to the prejudice of good order and military discipline in wounding himself through negligently handling a rifle," and an alternative charge to this effect should be made, even if the accused is to be tried under section 18 for wilful maiming.

Commanding Troop Town and Port Rouen

for the purpose of enquiring into the death of
Captain Dobbie, J.L. Canadian Section

~~IN ATTENDANCE.~~ 2/1

The Court having assembled pursuant to order, proceed to take
evidence

Captain S. J. Carson M.C. 5th Canadian Bu
attd. Canadian Section, 3rd H.Q. 3rd Echelon
States: - I first got to know Captain
Dobbin about the latter end of December
1918. He was then on the staff of the
Canadian Infantry Base Depot Haples. I
saw ^{him} nearly every day and frequently had
conversations with him as far as I could see
28 he was quite ^{calm} of steady habits
About the 7th Feb 1919 I saw in orders that
Captain Dobbin and I were to proceed to
Rouen for duty at the Canadian Section
3rd Echelon. The following day I proceeded
to Rouen via Paris, Captain Dobbin did
not proceed with me. About a month
31 ~~later~~ ^{ago} was in the Officers Club
Rouen, between 21.00 and 22.00 hours,
accompanied by Lieut Skelton and Capt
Knight, C.F. - We all talked together for
some time and in the course of
conversation, Captain Dobbin told me,
he was staying at a hotel which I
believe was the Hotel d'Orleans and that
he had arrived in Rouen that day.
He arranged to meet Lieut Skelton near
Pont Boldrin the following morning to
proceed to the Canadian Section in
Rue Dufay. The following morning I
accompanied Lieut Skelton to the Pont
Boldrin but did not see the deceased,
and have not seen him alive since
the night when I left the deceased in
the Officers Club at 21.45 hours. He
appeared to have had some drinks
but in my opinion he was not drunk,
but appeared to be very tired. As
far as I know, no one else was in
his company. On the 15th March 1919,
at about 3pm I was ordered to proceed
to the Mortuary at No. 8. Grenade
Hospital where I saw the dead

3.
body of a man. I recognized it as being
the body of Captain Dobbin who I
had seen at the Officers Club. on the
night referred to. above I have no
doubt as to the identification. The
deceased was defective in both hearing
and eyesight

J. G. Carson
Capt.

Evidence of
2nd witness

Captain J. A. Knight, C.F. Canadian
Section 3rd Echelon States.

About a month ago I went to the
Officers Club. Rouen in company with
Captain Carson and Lieut Skelton
between 21.00 and 22.00 hours. When I was
introduced to Captain Dobbin I was
in his company for about half an hour
only and during the conversation I
heard him enquire where the Canadian
Section was - and he said that he
was staying at the Hotel D'Orleans. and
that he had arrived in Rouen that
day. The address of the Canadian Section
was written down for him and an
appointment made to meet him on the
Pont Boldrin the following morning by
Lieut Skelton. He was rather deaf and
seemed to be suffering from shell shock
whilst I was in his company. He had
two drinks and seemed to be quite
rational. I left the Officers Club about
21.45 hrs. together with Captain Carson and
Lieut Skelton, leaving Captain Dobbin
there. I have not seen him since.

Evidence of
3rd witness

J. A. Knight
N.O.P. 5075 Sergeant. F. Manning M.F.P.
States. at Rouen on the 15 March 1949
at about 09.00 hours. I received instructions

to proceed to the Quai de la Bourse. to recover the body of an Officer found floating on the river. On arrival here I saw a French civilian Mous Blondet Arthur of Rue Paul Ansauff Darnetal. who stated he found the body floating on the water, and had secured the body to a barge. On instructions from the D.A.M. I recovered the body from the water and conveyed it to the General Hospital. An examination and search was held in my presence there and from documents taken from the clothing it was ascertained that the body was that of Captain G. L. Dobbin Canadian Infantry Base Depot. Amongst the effects found on the body was a wristlet watch hands indicating as 11.40 hours.

E. Manning Esq.
M. F. Police

Produce of witness

Certified true copy of ^{an} ~~an~~ Post Mortem examination on Captain Dobbin, read marked & signed by the President and attached to the proceedings.

NS

Opinion

The Court having considered the foregoing evidence are of opinion that the deceased officer Captain G. L. Dobbin Canadian Section 3rd Echelon, met his death by drowning, but the evidence is insufficient to show how the body came into the water, and they are further of opinion that the deceased was not on duty at the time and are unable to state whether he or any other person or persons can be held to blame.

Opinion

Signed at Rouen this 21st day of March 1919.
