Civil Servants.
Notices of change of Status.

The marginally noted Notices are again being rendered by you affecting Officers but no Notices have been received affecting other ranks for some months as will appear from your file, and it would seem that your letter to the Paymaster-General on the subject may have been passed to the Paymaster Branch but not to Pay II.

Will you kindly do what you can to remedy this defect as numbers of men are being returned with ranks varying from those shown when the last Military Pay Statements were rendered and no advice of such appointments, promotions, or reversions have been received. This omission is causing considerable delay in the adjustment of Civil Pay Accounts to the great discredit of this Branch with the other Government Departments.
