INSTRUCTIONS TO BE OBSERVED BY THE MEDICAL BOARD PREPARING THE REPORT.

1. On the occasion of an officer's first appearance before a medical board, the circumstances under which the wound or injury was sustained will be fully detailed.

2. If the injuries be more than one, they should be numbered and described separately; and should it be considered that, though only "severe" or "slight" in themselves, they represent together the equivalent of a single "very severe" injury, such an opinion may be expressed in the columns provided for that purpose.

3. **The board will not express any opinion, either to the Officer examined, or in their report, as to whether he is entitled to compensation, or as to the amount of it, nor will it inform the Officer how the wound or injury has been classified.**

4. **If an Officer makes any enquiry as to wound gratuity he should be told by the board that he should make application in writing to the Secretary of the War Office.**

INSTRUCTIONS TO BE OBSERVED BY THE MEDICAL BOARD PREPARING THE REPORT.

1. On the occasion of an officer's first appearance before a medical board, the circumstances under which the wound or injury was sustained will be fully detailed.

2. If the injuries be more than one, they should be numbered and described separately; and should it be considered that, though only "severe" or "slight" in themselves, they represent together the equivalent of a single "very severe" injury, such an opinion may be expressed in the columns provided for that purpose.

3. **The board will not express any opinion, either to the Officer examined, or in their report, as to whether he is entitled to compensation, or as to the amount of it, nor will it inform the Officer how the wound or injury has been classified.**

4. **If an Officer makes any enquiry as to wound gratuity he should be told by the board that he should make application in writing to the Secretary of the War Office.**
