Report of Lt.-Col. Elliott, 3-5-20.

I have examined the marginally-named Nursing Sister to-day and find that she is now quite free from her symptoms of Bronchitis. The cough has quite disappeared, the slight afternoon rise of temperature has subsided and although she is still underweight, I would report that there is now no evidence of respiratory disease and would recommend her discharge.

(Sgd.) J.H. Elliott, Lt. Col.
