but a radical mastoid operation can eradicate the disease. He does not wish an operation owing the risk therefrom of further loss of hearing The condition in my opinion is not due to service but has been aggravated by service to the extent of 20% No further benefit will result from treatment short ofoperation. Prognosis is guarded owing to possibility of serious complications.
I think his refusal to have operation is reasonable but he should be told that should complications occur and operation become imperative, he will have no ~~claim~~ further claim on Government.

INSTRUCTIONS

1. In using this Form the "Instructions issued for the guidance of Medical Officers serving on Medical Boards" will be carefully followed.
2. The Medical Officer in charge of the case is responsible for the proper completion of pages 1 and 2 of this Form. The President of the Board of Medical Officers is responsible for the proper completion of the space, of page 3, reserved for recording the Proceedings of a Board of Medical Officers.
3. In answering the questions, Medical Officers will carefully obtain and record the soldier's statements concerning his condition. They will distinguish observations made by themselves from hearsay. They will distinctly state the authority for statements not resulting from their personal observation; it must be made clear whether such statements are obtained from the soldier concerned, from witnesses, or from documents.
4. If a complete answer to any question requires more space than that reserved for it, the answer may be continued on the blank space on this page.
5. The nomenclature of diseases to be followed is that described in "List of Diseases" printed in the order in which they appear in the Annual Report on the Health of the Army, published in London, (1915), by Messrs. Harrison and Sons.
