When asked if anything was wrong he did not answer and appeared rather stupid. They were out in the hot sun every afternoon from 1.30 to 4.45 since their arrival June 11th 1917. June 16th 1917 in the morning the men in the tent with James reported that there was something wrong with him because he was acting frenzied. They said he would not eat, appeared sad and talked about going home.

13. Was it preceded or accompanied by any particular illness, such as fever, rheumatism, syphilis, &c.?

No.

Three years ago he had a severe attack of Typhoid fever and since then has not been very strong.

14. What are the supposed causes (moral or physical) of the attack?

Has the patient suffered from sunstroke, concussion, or injury of the head?

Not acclimated.
Standing in the extremely hot sun for three and a quarter hours every afternoon.

No.

15. Has the disability been caused or aggravated by his service as a soldier? If so, how?

Yes. By change of climate and exposure to hot sun for several hours daily.
He was always worse towards evening.

16. Does any hereditary predisposition exist?

None that I know of.

17. What are the particular ideas or actions which have induced the belief of insanity?

(*a*) Observed by you.

(*b*) Communicated to you by others.

(a) He looks dull, stupid and sad. Indifferent as to what goes on around him or what is said to him. He does not remember his name or number and cannot tell where he lives.

(b.) Putting his hand to his head in a frenzied manner when on duty and his indefinite answers when questioned about it. Loss of appetite, talking about home and the change in him from being an average bright boy to one that is sad and indifferent to everything. He gave away all his personal articles and when asked by his brother as to what was the matter with him, he just pushed him away without answering.

8. **Disability.**

Delusional Insanity.

Statement of Case.

Note.—The answers to the following questions are to be filled in by the Officer in medical charge of the case. In answering them he will carefully discriminate between the man's unsupported statements and evidence recorded in his military and medical documents. He will also carefully distinguish cases entirely due to venereal disease.

9. Date of origin of disability. June 15th 1917.

10. Place of origin of disability. Segregation Camp, Bramshott.

11. Give concisely the essential facts of the history of the disability, noting entries on the Medical History Sheet bearing on the case.

Was found to be acting strangely by his brother and others of his mates. Appeared stupid. Had been a good deal in the hot sun. Asked if anything was wrong would say nothing, but put his hand to his head. Did not eat and appeared sad and talked of going home. Coming to Hospital his eyes were bloodshot. He said some doctor scared him - with hot irons - threatening to burn his eyes out. Said he guessed they thought he was a German spy. Was very slow and delayed in answeringa question.

12. (*a*) Give your opinion as to the causation of the disability.

Exposure to excessively hot sun and not acclimated.

(*b*) If you consider it to have been caused by wounds received or illness contracted (1) in the presence of the enemy (2) on active service, explain the specific conditions to which you attribute it. (*See notes on page 3*).

(1) Not applicable.
(2) Exposure to sun and unsuitable climate. (He comes from 100 miles North of Prince Albert, Sask., in the Bush and rare atmosphere)

13. What is his present condition?

Weight should be given in all cases when it is likely to afford evidence of the progress of the disability.

Is now much improved. Says he knows he was crazy, but is alright now. His eyes are very much less congested. He talks and answers smartly. and does not follow any delusion unless it is suggested to him, when he will follow it up.
Other systems normal.

14. If the disability is an injury, was caused

(*a*) In action?

(*b*) On field service?

(*c*) On duty?

(*d*) Off duty?

Not applicable.

15. Was a Court of Inquiry held on the injury?

If so—(*a*) When?

(*b*) Where?

(*c*) Opinion?

Not applicable.

16. Was an operation performed? If so, what?

Not applicable.

17. If not, was an operation advised and declined?

Not applicable.

18. *In case of loss or decay of teeth.* Is the loss of teeth the result of wounds, injury or disease, directly* attributable to active service?

Not applicable.

19. Do you recommend

(*a*) Fit for duty? No.

(*b*) Fit for light duty? No.

(*c*) Invalided to Canada? Yes

(*d*) Discharge as permanently unfit? No.

W. H. Rogers Capt Can A.M.C.
Officer in medical charge of case.

I have satisfied myself of the general accuracy of this report, and concur therewith, *except*† that I found by stiff head deliriums eg. that Pte" was put in hisford that he was inspector of Bakeries

Station Bramshott.

Date June 27th 1917.

W. H. Rogers Capt Can A.M.C.
Officer in charge of Hospital.

* Loss of teeth on, or immediately after, active service, should be attributed thereto, unless there is evidence that it is due to some other cause.

† Delete this word if no exceptions are to be made.

Opinion of the Medical Board.

NOTES.—(i.) Clear and decisive answers to the following questions are to be carefully filled in by the Board, as it is essential that the Members of the Pensions and Claims Board should be in possession of the most reliable information to **enable them to decide upon the man's claim to pension.**

(ii.) Expressions such as "may," "might," "probably," &c., should be avoided.

(iii.) The rates of pensions vary according to whether the disability is attributed to wounds or injuries received or illness contracted, (1) in the presence of the enemy, (2) on active service. It is therefore essential when assigning the cause of the disability to differentiate between them (*see* Article 591 to 598 of the Canadian Pay and Allowance Regulations as amended G.O., 57, May 1st, 1915).

(iv.) In answering question 20 the Board should be careful to discriminate between disease resulting from military conditions and disease to which the soldier would have been equally liable in civil life.

20. (*a*) State whether the disability is the result of injuries received or illness contracted, (1) in the presence of the enemy, (2) on active service.

(*b*) If due to one of these causes, to what specific condition do the Board attribute it?

21. Has the disability been aggravated by

(*a*) Intemperance?

(*b*) Misconduct?

22. Is the disability permanent?

23. If not permanent, what is its probable minimum duration?

To be stated in months.

24. To what extent is his capacity for earning a full livelihood in the general labour market lessened at present?

In defining the extent of his inability to earn a livelihood, estimate it at $\frac{1}{4}$, $\frac{1}{2}$, $\frac{3}{4}$, *or total incapacity.*

25. If an operation was advised and declined, was the refusal unreasonable?

26. Do the Board recommend

(*a*) Fit for duty?

(*b*) Fit for light duty?

(*c*) Invalided to Canada?

(*d*) Discharge as permanently unfit?
