Dear Wing Commander Gunn,

I have carefully read over your letter of February 19, and concur in your suggestion that my son's name appear on the memorial to be erected at Singapore.

I am glad to know that the names of those in Alan's squadron who were lost at the same time will appear on this memorial, and that his name will be listed among other Canadians.

Yours sincerely,

Ontario, 19 February, 1953.

Hon. R.W. Mayhew, Ambassador to Japan, Canadian Embassy, Tokio, Japan.

Dear Mr. Mayhew:

I wish to acknowledge and thank you for your letter of February 7. Commemoration of Commonwealth Airmen that, like your son, through the fortune of war were denied a known and honoured resting place is a duty of the Imperial War Graves Commission (of which Canada is a member).

The Commission recommended to the various Commonwealth Governments concerned and received their concurrence that the names of all airmen that did not have a "known" grave would appear on Memorials that would be erected in locations representative of the area in which they had lost their lives.

Memorials are being erected at Runnymede, El Alamein, Malta and Singapore, and as Royal Canadian Air Force aircrew served in all those areas, it follows that names of Royal Canadian Air Force boys will appear on each of the Memorials.

The names of over two hundred members of the Royal Canadian Air Force will appear on the Memorial at Singapore. The desire to have your son's name appear on the Memorial in England can be appreciated, but it is believed that the present policy meets with general approval.

Yours sincerely,

(W.R. Gunn) Wing Commander, R.C.A.F. Casualties Officer, for Chief of the Air Staff.

Tokyo, February 3, 1953.

Wing Commander W.R. Gunn, R.C.A.F. Casualties Officer, Department of National Defence, Ottawa.

Dear Wing Commander Gunn,

Your letter of January 7th has been on my desk for some days waiting for me to reply to it. I know that it was not the kind of a letter that you would like to be writing, nor is it the kind that I like to reply to.

I appreciate very much your intentions, and we would be very glad to have Alan's name on some permanent memorial. What I want to bring to your attention is that Alan did enlist in the R.C.A.F. and of course was a Canadian, being fourth generation, so if we have any choice we would prefer to have his name on a memorial with other Canadians. It was by accident really that he was stationed in Ceylon with the R.A.F. He was lost somewhere in the Indian Ocean off Ceylon so that if his name is placed on a memorial in Singapore it would be a long piece from where it happened. If there is a monument to the resting place of the unknown being erected any place in Canada, would it not be possible to have his name included on that list. If not, then would it be possible to have "Canadian" after his name.

Mrs. Mayhew and I have talked it over but have not had a chance to talk it over with Elza, Alan's wife, who is in Victoria, but we do know that she would prefer to have Alan's name on a list either in Canada or in the United Kingdom. Thank you for what you have done and for what you are doing in connection with the Imperial War Graves Commission. I have had an opportunity of visiting the cemetery in Hong Kong, also the one in Tokyo, and they are a great credit to you and to those who are looking after them.

Yours sincerely,

R.W. Mayhew Ambassador

LETTER RECEIVED		June

1943.

Mrs. E. E. Mayhew. 2440 Beach Drive, Victoria, B.C. CANADA.

Dear Mrs. Mayhew,

Before you receive this letter you will have been informed by the Air Ministry that your husband, Pilot Officer Mayhew, has been reported "Missing" as the result of air operations.

PHOTOS SENT TO N.H.

The Catalina flying boat in which your husband was flying was captained by a Flight Lieutenant of considerable experience in equatorial climates. On the return from this flight however, abnormal weather conditions were encountered by the aircraft sixty miles off the coast.

A message for assistance was received at four o'clock in the afternoon and immediately another aircraft of it's own Squadron took off to go to it's help. The search lasted well into the night and by dawn all available air and surface craft were put on to the task. The search was carried out thoroughly for four days and nights but unfortunately no trace of your husband or his companions could be found.

You will understand that this information is given to you in confidence and I hope that you will treat it as such.

The loss of this Air Crew is a sad blow to the Squadron. Your husband was very popular with everyone, and he is greatly missed in the Mess, and his loss is regretted by all.

Your husband's effects have been gathered together and forwarded to the Standing Committee of Adjustment, where they will be kept in safe custody until such time as it has become necessary to presume death.

May I now express the great sympathy which all of us feel with you in your great anxiety and I should like to assure you how greatly we his comrades in the Royal Air Force admire your husband's unselfish sacrifice.

- (1) Example: I, John Charles Brown, of the City of Ottawa, County of Carleton, Province of Ontario, Mechanic.
- (2) If only one beneficiary, complete as follows: I give, devise and bequeath unto "my wife, Mary Brown, 26 Cherry Avenue, Ottawa, Ontario, all my estate", in which event, strike out clause (3). If more than one beneficiary, set out in clause (2) what each is to receive, such as—

"my wife, Mary Brown, 26 Cherry Avenue, Ottawa, Ont	\$	00 and
my household goods and effects",	1.	
"my mother, Ethel Brown, 480 Yonge St., Toronto, Ont	\$	00",
"my sister, Margaret Brown, 480 Yonge St., Toronto, Ont		
"my friend, John Smith, 60 LaSalle St., Winnipeg, Man		
and any personal gift, if desired.	- Xo . 2	

- (3) If any specific gifts have been made in clause (2), the testator should name the person or persons to whom he desires to give the balance of his estate in clause (3), such as "my wife, Mary Brown, 26 Cherry Avenue, Ottawa, Ontario" or "my mother, Ethel Brown, and my father, George Brown, of 480 Yonge Street, Toronto, Ontario, equally" or as desired.
- (4) Failure to appoint an executor or an executrix can only result in additional expense in the settlement of the estate in question. Testators are, therefore, strongly urged to make such an appointment. A beneficiary or legatee under the will may be appointed executor or executrix. It is recommended, however, that testators avoid appointing as executor any person on or likely to be on Active Service.
- (5) Do not omit to date the will. The testator should sign the will with his usual signature in the presence of two witnesses, each of whom should immediately thereafter, and in the presence of the testator, sign his or her name, and insert his or her address and occupation in the place provided. No person who receives any benefits under the will should act as witness. It is preferable, though not essential, that the witnesses be persons not on Active Service.

GENERAL

Generally speaking, under the Laws of most of the provinces, a will revoked or cancelled by marriage of the testator after the date of the will is invalid; it is advisable, therefore, immediately upon marriage to make a new will. When completed, leave with Commanding Officer for transmission to the Records Office for safe custody.

Re: F/O Mayhew, C. A., J 12759

Dear Mr. Gunn:

I am sorry to bother you again about the notices regarding my son.

You will probably remember that the notice that you sent to my daughter-in-law on December 5, I had arranged with the Post Office to get, and hold until after the first of the year. In talking to you, you said that the final letter was to be mailed the following day, which would have been the 6th or 7th of December. I suggested to you that that notice be addressed to 3125 Beach Drive, c/o R. W. Mayhew.

I arrived home a few days ago, and found that the first letter had arrived in Victoria, and was given by the Post Office Department to Mrs. Mayhew, Sr. But the second and final notice has not yet arrived. I hope that this has not been sent to Mrs. Alan Mayhew, at 2440 Beach Drive. I am very much afraid that it has, and that she is thinking that she is keeping the information from us until after the holiday season has passed.

I wonder if you would be good enough to check this matter, and let me know, by wire, if you will, what has actually happened.

Yours truly,

R. W. Mayhew

Urgent

Squadron-Leader D.R. Gunn, Casualty Officer - for Chief of the Air Staff, Department of National Defence for Air, OTTAWA, Ontario.

Dear Squadron-Leader Gunn:

Re: File No. J/12759 804

I received a few minutes ago your letter of the 5th re the above.

I notice by this letter that you say you have despatched a letter to my son's wife, informing her of the action that has been taken by the Air Ministry Overseas.

I am very sorry that this action was taken just at this time of the year. It has been some nineteen months since my son was first reported missing and I wish you had just delayed another month until after the Christmas Season had passed.

If there is anything you can do to prevent this letter from reaching her until some time in January, I would very much appreciate it. I know the matter has to be settled some time and we must inevitably face such news but when kept in suspense by the Air Ministry Overseas for so long, I do not see the necessity of bringing it out just now.

I tried to contact you by 'phone as soon as I received the letter but you had gone to lunch.

I appreciate, personally, your consideration in the Handling of this situation for us. Yours truly, RWM:MM RWM:MM Handling Handlin

OTTAWA, Canada, 19th July, 1944.

Mr. R.W. Mayhew, M.P., Box 940, Victoria, B.C.

Dear Mr. Mayhew:

A message has been received from Overseas advising that you were making enquiries concerning your son's operational career Overseas and this information has been passed to these Headquarters for beansmission to you.

Your son arrived in the United Kingdom in November, 1942, and after attending an operational training unit and a flying training unit he was posted in March, 1943 to a Royal Air Force Squadron which proceeded to the Far East in April of the same year. He remained with this unit until he was posted as missing in the vicinity of Ceylon on June 11th, 1943.

An effort is being made to obtain further particulars of his career and just as soon as any further news is received at these Headquarters it will be forwarded to you.

I sincerely hope that you can find consolation in the fact that your son risked his life willingly in the defence of freedom. What we all owe to him is beyond estimation. May you be fortified by the spirit of courage and hope which enabled him to discharge his duties whatever the cost.

Yours sincerely,

R.C.A.F. Casualty Officer, for Chief of the Air Staff.

Dear Mr. Mayhow:

1

I wish to thank you for your letter of August 3rd regarding your son, Flying Officer C.A. Wayhew.

The report from the Royal Canadian Air Force Casualties Officer Overseas stating that your son's aircraft was last seen at 05 degrees north, 81 degrees, 20 minutes east, was forwarded to Mrs. Mayhew on June 23rd. This location is sixty-eight miles south of Ceylon and agrees almost exactly with the location given in the letter from your son's Commanding Officer.

I feel sure you will realize that under existing conditions communications with the Far East are taxed to the utmost and it is therefore not possible to include complete details. However, you may be assured that the Commanding Officer's letter is accurate and I am glad that he was able to give you so much detail of your son's last flight.

Yours sincerely,

M.C.

OTTAWA, Canada, 23rd June, 1943.

Mrs. C.A. Mayhew, 2440 Beach Drive, Victoria, B.C.

Dear Mrs. Mayhew:

It is my painful duty to confirm the telegram recently received by you which informed you that your husband, Flying Officer Charles Alan Mayhew, is reported missing on Active Service.

Advice has been received from the Royal Canadian Air Force Casualties Officer, Overseas, that your husband was a member of the crew of an aircraft which failed to return to its base after air operations on June 11th, apport 1943. The aircraft was last seen at 8:33 A.M. on June 11th at a location given as 05 degrees north, 81 degrees, 20 minutes east, which I am advised is south of Ceylon.

Any further available information has been requested from Overseas, and will be forwarded to you immediately it is received.

Your husband's name will not appear on the official casualty list for five weeks. You may, however, release to the Press or Radio the fact that he is reported missing, but not disclosing the date, place or his unit.

May I join with you in the hope that better news will be forthcoming in the near future.

Yours sincerely,

Gunn) Flight Lieutenant, R.C.A.F. Casualties Officer, for Chief of the Air Staff.
