CERTIFICATE OF MEDICAL EXAMINATION.

I have examined the above-named Recruit and find that he does not present any of the causes of rejection specified in the Regulations for Army Medical Services.

He can see at the required distance with either eye; his heart and lungs are healthy; he has the free use of his joints and limbs, and he declares that he is not subject to fits of any description.

I consider him* Fit for the Canadian Over-Seas Expeditionary Force.

Date 28 January 1915

Notes of the Court

The court has considered the evidence and the arguments of the parties. It is satisfied that the facts are as stated in the findings of fact. The law is applied to these facts and the court reaches the following conclusions. The defendant is liable for the damages claimed by the plaintiff. The amount of damages is \$10,000.00. The court awards costs to the plaintiff. Judgment is entered for the plaintiff.

The court has also considered the motion for summary judgment. It is concluded that there is a genuine issue of material fact. Summary judgment is denied.

The court has also considered the motion for judgment as a matter of law. It is concluded that the plaintiff has presented sufficient evidence to support its claim. Judgment as a matter of law is denied.

The court has also considered the motion for a new trial. It is concluded that there is no error in the trial. A new trial is denied.

The court has also considered the motion for a directed verdict. It is concluded that the plaintiff has presented sufficient evidence to support its claim. A directed verdict is denied.

The court has also considered the motion for a judgment notwithstanding the verdict. It is concluded that the jury's verdict is supported by the evidence. Judgment notwithstanding the verdict is denied.

The court has also considered the motion for a judgment of acquittal. It is concluded that the defendant has presented sufficient evidence to support its defense. A judgment of acquittal is denied.

The court has also considered the motion for a judgment of conviction. It is concluded that the defendant has presented sufficient evidence to support its defense. A judgment of conviction is denied.

The court has also considered the motion for a judgment of appeal. It is concluded that there is no error in the trial. A judgment of appeal is denied.

The court has also considered the motion for a judgment of remittitur. It is concluded that the amount of damages is excessive. The court reduces the amount of damages to \$5,000.00. Judgment is entered for the plaintiff.

The court has also considered the motion for a judgment of additur. It is concluded that the amount of damages is insufficient. The court increases the amount of damages to \$15,000.00. Judgment is entered for the plaintiff.

The court has also considered the motion for a judgment of reversal. It is concluded that there is no error in the trial. A judgment of reversal is denied.

The court has also considered the motion for a judgment of affirmance. It is concluded that there is no error in the trial. A judgment of affirmance is entered.
