Instructions.

1. On the occasion of an Officer's first appearance before a Medical Board for his present disability, the circumstances under which the disability was contracted will be fully detailed; whenever possible a statement of the case by his medical attendant will also be attached.

2. In recording the proceedings of subsequent Boards, the progress of the individual since his last appearance will be clearly and concisely stated so as to ensure a continuous medical history of the case being available.

3. Question 2 is only to be answered by the Board, when specially instructed by the convening authority.

4. Enteric Fever, Dysentery, Malaria, etc., contracted when on service abroad, in countries where there is a special liability to the disease, are to be regarded as caused by military service.

Age 28 Service 1 year Disability 1) Nasal Obstruction. 2) Inflammation Prostate.

Date of commencement of leave granted for present disability 19-1-17

Date on which placed on half-pay for present disability _____

The Board having assembled pursuant to order, and having read the instructions on the back of the form, proceed to examine the above-named officer and find that

this Officer has had a submucous resection of his nasal septum and subsequently an attack of Tonsillitis. We have examined this Officer and now find his nose and throat normal and no disability remaining. He complains of slight pernieal pain due to a mild inflammatory condition of the prostate following a specific urethretis contracted 5 months ago. There is not sufficient complaint or evidence of disease to be a disability and we recommend him as fit for General Service.
