A SYNOPSIS

OF THE

PUBLIC BY-LAWS OF THE CITY OF HAMILTON.

RULES to Regulate the Proceedings in the City Council of the City of Hamilton

Adopted January 28, 1856

1. That the regular meetings of the Council shall be held on each alternate Monday, at half-past three o'clock, P.M., and if at that hour there is not a Quorum present, the Mayor may take the Chair and adjourn, with the consent of the majority then present.
2. That whenever a meeting may be required for special business, it shall be called by his Worship the Mayor, at such times as he may deem requisite, or, at the request of any five members of the Council, the Clerk shall summon the Meeting, and it shall not be competent to consider or decide upon any matter at a Special Meeting, unless such matter has been fully explained in the notice calling the Meeting.
3. That as soon as a Quorum is assembled the Chair shall be taken, and the proceedings of the Meeting commenced by the Clerk reading the minutes of the last Regular and any intermediate Special Meetings.
4. That whenever an adjournment takes place in consequence of there not being a Quorum present, the names of the members present shall be inserted in the Records of the Council.
5. That the Mayor shall preserve order and decorum, and decide upon questions of order, subject to an appeal to the Council, and shall state the rule applicable to the case, if required.
6. That the business of the Council shall be taken up in the following order:—
 - 1st. Presentation of Petitions and Memorials by members in their places.
 - 2nd. The reading of the same by the Clerk or the member presenting them.
 - 3rd. The presentation of Reports from the Standing Committees, according to seniority, and Special Committees, according to date of appointment.
 - 4th. The Third Reading of By-Laws.
 - 5th. The reference of Memorials and Petitions, by the Mayor or presiding officer, to their appropriate Committee, without motion.
 - 6th. The consideration of the Reports of the Standing and Special Committees in the order in which they were presented, unless with the unanimous consent of the members present.
 - 7th. The First Reading of By-Laws.
 - 8th. The consideration of any business of which notice had been given on a previous evening.
 - 9th. The Second Reading of By-Laws, and their consideration in Committee of the Whole.
- Notices, in writing, of intention to introduce any measure or resolution, may be given at any time during the evening, and shall always be entered on the order of the day.
7. That no specific appropriation or other business of moment shall be determined upon until it has been reported upon by the appropriate Committee, unless it may appear that the Committee has neglected to fulfil its duty.

8. That every motion or resolution shall be in writing, and read by the mover (who alone may make introductory remarks thereon,) and when duly moved and seconded, and stated by the Mayor or presiding officer, shall be open for consideration.

9. After a resolution has been duly stated, it shall be deemed to be in possession of the Council, but it may be withdrawn at any time, with the sanction of the Council.

10. When any resolution is under consideration, no motion shall be received unless to adjourn, to lay on the table, the previous question, to postpone, to refer, or to amend, which shall have precedence in the order in which they are arranged, the first and third of which shall be decided without debate.

11. When any member desires to speak, he shall rise in his place and address his remarks to the Mayor, or presiding officer, confine himself to the question, and avoid personality. Should more than one member rise at once, the Mayor or presiding officer shall determine who is entitled to the floor.

12. No member, other than the one proposing a question or motion, (who shall be permitted to reply,) shall speak more than once without the leave of the Council, except in explanation of a material part of his remarks, which may have been misconceived, but then he is not to introduce new matter.

13. The Mayor or any member may call a member to order while speaking, when the debate shall be suspended, and the member shall not speak until the point of order be determined, unless to appeal from the decision of the Chair. All appeals shall be decided without debate.

14. Every member present when a question is put shall vote thereon, unless the Council shall excuse him, or unless he be personally interested in the question, in which case he shall not be obliged to vote.

15. When the Mayor or presiding officer is putting a question, no member shall walk out of, or across the House, or when a member is speaking shall any other members hold discourse which may interrupt him, nor pass between him and the Chair.

16. That any member of the Council may of right require the question or motion in discussion to be read for his information at any period of the debate, but not so as to interrupt a member speaking.

17. That upon a division in the Council, the names of those who vote for, and those who vote against the question shall be entered upon the Minutes.

18. A motion to adjourn shall always be in order, and need not be in writing.

19. That any proposed By-Law be introduced by a motion for leave, specifying the title of the By-Law, or a motion for a Committee to bring it in, or by a report of a Committee.

20. That any proposed By-Law shall receive three several readings, but not more than two on the same evening, unless with the unanimous consent of the members present. The Clerk shall certify the reading and the time on the back of the By-Law.

21. Any member presenting Memorials or other papers addressed to the Council shall be accountable that they do not contain improper or impertinent matter, and no Memorial or other paper shall be read unless endorsed by the member presenting it.

22. That the mover of a Special Committee shall be Chairman of the same, and whenever any Measure is referred to a Committee the introducer of the Measure shall be a member of the Committee instructed to consider it.

23. Whenever it shall be moved and resolved that the Council go into Committee of the Whole upon any question, the Mayor or presiding officer shall leave the Chair, and appoint a Chairman of the Committee, who shall report their proceedings to the Mayor or presiding officer on his resuming the Chair. The Rules

of the Council shall be observed in the Committee of the Whole, except the rules relating to the yeas and nays, and limiting the number of times of speaking.

24. That a motion in Committee, to rise and Report the Question, shall be decided without debate, and need not be in writing.

25. That the Standing Committees shall be as follows:—1st, on Finance; 2nd, on Fire and Water; 3rd, Board of Works; 4th, Markets and Market Block; 5th, Police; 6th, Grievance; 7th, Hospital and Cemetery. Each to consist of five members.

26. No money appropriation shall be finally acted upon by the Council until it shall have been referred to the Standing Committee on Finance, and no money shall be paid by the Chamberlain until ordered by the Council, and such order signed by the Chairman of the Finance Committee, or, in case of his absence, by the Mayor or presiding officer.

27. When a blank is to be filled, the question shall be first taken on the highest sum or number, and on the longest time proposed.

28. After any question, except one of indefinite postponement, has been decided, one member, who voted in the majority, may, at the same time, or at a subsequent meeting, move for a reconsideration thereof, but no discussion of the main question shall be allowed unless reconsidered, nor shall any question be reconsidered more than once.

29. That any one or more of these rules may be at any time temporarily suspended, with the consent of two-thirds of the members present.

30. That the members of the Council shall take their places in the following order:—The members for St. George's Ward to occupy the table in the centre; those for St. Lawrence the Easterly portion of the Northern table; those for St. Mary's, the Westerly portion of the same; those for St. Patrick's, the Easterly portion of the Southern table; those for St. Andrew's, the Westerly portion of the same. Members may exchange seats by mutual consent.

31. That all Chairmen of Standing Committees shall keep minutes of their proceedings in a book to be furnished for that purpose by the Clerk, such book to be left with the Clerk at the expiration of office.

BY-LAW NO. CXXVII.

ON MARKETS.

Be it enacted, That no person shall sell, or offer to sell, any meat, poultry, eggs, butter, cheese, fruit, fresh fish, flour, wood, grain, pelts, hides, or other kind of provisions or agricultural produce, within the City of Hamilton, at any place but the Public Markets, without having first paid the Market Fees thereon, hereinafter mentioned, and that no person but Butchers shall sell any meat in less quantity than by the quarter, and such Butchers shall not expose any meat for sale at any other place than the Market Stalls, or at such other places as the Council, by resolution, shall grant them leave to sell at; *provided always*, that no fees shall be charged on wheat intended for manufacture within the said City, or on wheat or flour intended for exportation.

That no person shall exercise the trade of a Butcher within the said City without being previously licensed by the Mayor so to do, who is hereby authorized to issue such license under the City Seal; and any person selling meat by the carcase or quarter, or in less quantities than quarters, shall be deemed a Butcher for the purposes of this By-Law, and that the duty on such license shall be at the rate of five shillings per year, and all licenses shall expire on the first day of June or the first day of December in each year, and that no persons, except Butchers, shall sell in less quantities than by the quarter.

That from and after the passing of this By-Law no person shall bring into, or leave about the Market, any hides, offal, or any refuse or animal or vegetable matter that might occasion nuisance.

That no person shall buy any article of provision, food or produce in the said City, on which the Market Fees are hereby required to be paid, for the purpose of re-selling the same, or any part thereof, until after twelve o'clock, noon; nor shall any person forestall or engross any of the aforesaid articles of provision, food or produce within this City, until after that hour.

That no person shall expose, or offer for sale within the City, any tainted or unwholesome meat, poultry, fish, or articles of food, and that it shall be the duty of the Clerk of the Market to inspect all meats and other articles of provision so exposed for sale, and if any such meat or other articles of food shall be found so exposed for sale, to prosecute the offender, and to inform the Mayor, or one of the Aldermen or Councillors, of any such tainted or unwholesome meat or other articles of food found within the City. And that it shall be lawful for him, under the direction of the Mayor, or any one of the Aldermen or Councillors, to seize and destroy all such tainted or unwholesome meat, poultry, fish, or other articles of food so found, whether the same has been exposed for sale or not.

That the Market Stalls shall be offered for sale annually to the highest bidder, but not under upset prices, which price shall be fixed from time to time by resolution of the Council, and all leases of and terms in said stalls shall expire on the first day of June in each year, and if the stalls should not be sold at such annual sale, or if any stall shall become untenanted during the year, it shall and may be lawful for the Council to sell or let the same, either by public sale or private contract, and for such price and period as the Council shall think proper, provided such period shall not extend beyond the first day of June, then next following; and the rent or price of such stalls shall be payable monthly in advance to the Chamberlain, and if any Butcher shall neglect to pay such rent for one week after the same is demanded by the Chamberlain, his lease and term in the stall shall thereby be forfeited, and such stall shall thereafter be sold to the highest bidder. That each stall shall be numbered before it is sold, and shall be known by such number.

And that no person leaving a stall or standing in any of the Markets of the City, shall underlet or assign it, or place or leave any one in the same under pretence of taking charge thereof, without the consent of the City Council, and any such act shall be a forfeiture of all interest such person had therein, and it shall be the duty of each Butcher to keep his stall in a clean and sweet state; and that no Butcher shall expose for sale any meat, except in his stall, subject, however, to the approval or consent of the Market Committee for the time being.

That it shall and may be lawful for the Chamberlain of the City to issue a warrant, and for such purpose to use the City Seal, directed to any one of the City Constables, to seize any Butchers' meat in any Market Stall for the arrears of rent for such Market Stall, and in case such rent shall not be paid within six hours after such seizure, and notice thereof in writing put up in three places in the Market, specifying the meat seized, the cause thereof, and the time the same will be offered for sale; such Constable shall sell such meat, or so much thereof as will satisfy the said rent, to the highest bidder. *Provided always*, that it shall not be lawful for the meat of a subsequent lessee of a stall to be seized for the arrears of rent of a previous tenant thereof.

That no butcher, huckster or grocer shall, on any pretence, directly or indirectly, purchase or contract for, or cause to be purchased or contracted for, any kind of meat, provender, provisions or produce before the hour of twelve o'clock, noon, of any day, in the City or Markets.

That no butcher or other person shall keep any dog or bitch in or about the Markets or places designed for the sale of meat.

That no person shall sell, or expose for sale, any goods or chattels by Auction in said Market, or in the Market grounds, or in any of the streets immediately adjoining or opposite the same, after the first day of June, 1856.

That it shall be lawful for farmers and butchers to sell meat by the quarter or in greater quantity in the Market grounds after the first day of June, 1856.

That whenever any butcher has obtained permission from the City Council to sell meat elsewhere than in the Market, such butcher shall pay for such permit five shillings per annum, to the Clerk of the City Council, at his office, and such butcher shall be liable to all the provisions of this By-Law and for the payment of any fines that may be imposed on him for his violation of the same.

That no person shall keep a slaughter-house within the City, or the liberties thereof, without special resolution of the Council in that behalf, nor play at any game, or lie down, or sleep, or behave in a disorderly, noisy or riotous manner, nor use profane or obscene language, or otherwise conduct himself in an offensive manner, in and about the said Market or Market grounds.

That the Market shall be opened every morning (Sundays excepted,) by the Clerk of the Market, at six o'clock, between the first day of March and the first day of November, and at seven o'clock during the rest of the year, and shut at four o'clock every evening all the year round, except Saturdays, when the Markets shall be kept open till nine o'clock, P. M.

That all hay and straw, brought to the City and exposed for sale, shall be brought near the Hay Scales, and the persons bringing the same shall place their wagons, or other vehicles, in such place and order as the Clerk of the Market shall direct.

That when any wagon, or other vehicle, shall be brought to the Market, containing any articles to be sold or retailed out of such wagon or vehicle, the person bringing the same shall place it in such order, and take the animals drawing the same therefrom, and remove such wagon or vehicle when the articles are sold out, as the Clerk of the Market shall direct.

That such wagon or other vehicle shall be, at all times while standing in the Market, in charge of the owner thereof, or of some person having charge of the same, and that in case such person or persons shall refuse to sell the articles contained therein, he shall immediately, on the request of the Clerk of the Market, remove his wagon or vehicle away from the said Market stand.

That every merchant, retailer, trader, and dealer in merchandise or property of any description, which is sold by measure or weight in the City of Hamilton, and the liberties thereof, shall cause the weights and measures used by him, her or them to be sealed and Marked by the City Inspector of weights and measures, and if any of the said persons shall use any weight or measure for weighing or measuring any article for purchase or sale which be not sealed, as herein provided, such person shall forfeit and pay a fine to the City not exceeding five pounds.

That all weights and measures sealed by the Inspector shall be made to conform to the standard of this Province, and shall be marked and sealed by him.

That it shall be the duty of the Inspector (in addition to the provisions in Act 12th Vic., Cap. 85,) and he is hereby authorized to inspect and examine, at least twice a year, all weights and measures used by any of the persons aforesaid, and if any such person shall refuse to exhibit any such weights or measures to the Inspector, when required so to do by him, or in any manner obstruct such Inspector in the performance of the duties hereby enjoined upon him, such person shall be liable to the penalty hereinafter mentioned.

That it shall be the duty of the said Inspector to make a registry of all the weights and measures inspected and examined by him, in which he shall state the name of the owner or owners of the same, and the street in which they reside, and whether such weights and measures are according to the standard of this Province, and to deliver a copy of such registry to the Clerk of the City Council every half

year, and therein to report the names of all owners whose weights and measures are incorrect, or who shall refuse or neglect to have their weights and measures sealed and marked.

That no person shall sell, or offer, or expose for sale, in the market or market grounds of the City, any butter except by weight, nor in less quantities of less in rolls of half a pound weight each, or if the butter be contained in tubs, pails or firkins the same shall be sold by weight.

That the purchaser may demand that the roll or rolls of butter be weighed at the time of delivery, and that the vendor shall weigh it accordingly.

That all butter offered or exposed for sale by the roll under weight shall be forfeited to the use of the City, and the vendor shall be subject to the penalty hereinafter mentioned.

That the Market fees shall be sold and accounted for in such a manner (and the person purchasing the same shall be the Clerk of the Market, who shall give security to the City Council of the City of Hamilton for the payment of the purchase money, and in such proportions and at such period and for the general performance of the duties of his office as the City Council of the City of Hamilton shall, from time to time, previous to such sale thereof, by resolution adopt,) provided that if such Clerk shall wilfully break any provision of this By-Law, or wilfully misbehave himself in his office, he shall be not only liable to be fined for such offence, but, on conviction thereof, he shall also forfeit his said office, and the City Council may thereafter re-sell the said Market fees for the remainder of the year.

That no person shall go to meet any one bringing any such article to market, for the purpose of buying, or proposing to buy, or inspect any such article, nor shall any person buy or propose to buy any of the aforesaid articles within the City, from any one bringing the same to Market, unless the seller has obtained a ticket from the Clerk of the Market, as hereinafter mentioned.
