DROPSY & GRAVEL CURED.**MARGESON'S CALCULIFUGE,**

A MOST EFFECTUAL CURE FOR

*Gravel, Stone in the Bladder, Dropsy,
Incontinence (Weakness) of Urine,
and all diseases of the Kidneys.*

Persons suffering from any of the above complaints may rely upon a speedy recovery by using this Remedy. It has, in hundreds of cases, effected cures where the skill of eminent Physicians was baffled—in proof of which we beg to submit the following certificates :

TESTIMONIALS.

MR. RICHMOND SPENCER,

MONTREAL, July 29th, 1873.

Dear Sir,—My wife has been troubled for a long time with Dropsy, and it has cost me a great deal of money to defray the expenses of Doctor's Bills; she also had been treated at the Montreal Hospital, but all to no purpose. At last, on your recommendation, I took home a bottle of MARGESON'S CALCULIFUGE, and I can honestly say that she commenced improving from its use at once; she is now quite well, which I attribute only to the use of the CALCULIFUGE. I gladly recommend it to those troubled with a similar complaint.

(Signed,)

THOMAS BAXLEY.

MR. RICHMOND SPENCER,

MONTREAL, Sept. 8th, 1873.

Dear Sir,—During last winter and last spring I was very much afflicted from diseased Kidneys (Gravel, &c.) and I could not obtain any relief from the use of any Medicine, of which I had previously taken, until I commenced using MARGESON'S CALCULIFUGE.

I proved effectual after I had used two bottles, and I am glad to say that I am now quite restored to health.

(Signed,)

J. L. HANVER, Ottawa Hotel.

THE IMPROVED

Whiteside's Patent Spring Bed,

Canada, May 1, 1874.

PATENTED

United States, Oct. 6th, 1874

It is the Celebrated "WHITESIDE'S PATENT" improved in the following particulars:

The heavy outer frame has been abandoned, and solid uprights, secured by bolt and thumbscrew, substituted.

TEMPERED STEEL SPRINGS of the most superior make are introduced, and a new method of securing the same, entirely independent of the slats, is also made use of, rendering the latter detachable and giving great freedom of action and elasticity to every part.

THUS CONSTRUCTED, the value of the "WHITESIDE'S BED" is greatly enhanced, from its superior ease and comfort, and from the facility with which it may be taken apart for storage or shipment.
