CITY OF KINGSTON.

PREFACE.

The publishers, in presenting their fifth edition of the City of Kingston Directory, beg to assure their patrons that every exertion in their power has been used to render the work as complete and reliable as a compilation of this kind can be. Especial care was necessary in the arrangement of the Street Directory, owing to the great irregularity in the numbering of the houses, and we would respectfully suggest that this matter be remedied as soon as possible. For any errors that may be discovered we request a lenient criticism. We return our thanks to our patrons and gratefully acknowledge the universal courtesy and generous aid our agents received during their canvas.

CITY OF KINGSTON.

The City of Kingston.

The fifth City in Ontario in population, is situated at the head of the St. Lawrence River and at the end of Lake Ontario. It is the principal port for lake navigation in Ontario, possessing the largest and finest harbor in the country. The largest dry dock on the lakes is in the course of construction here. It is a station of the Grand Trunk Railway and the Kingston, Napanee & Western Railway, and the headquarters of the Kingston and Pembroke Railway. The Public Buildings are very beautiful, the City Hall (the finest one in the Province), the Court House, Post Office, Custom House, Queen's University and College, Central School, the Churches and a number of business blocks and private residences. At the Western boundry is located the Kingston Penitentiary, and about a mile West of it the Kingston Asylum for the Insane. Opposite the city is the Royal Canadian Military College, and Garden and Wolfe Islands. Kingston is a military as well as a naval city. Here is stationed "A" Battery, a local troop of cavalry, a field battery, and the 14th Princess of Wales' Own Rifles. The principal business streets are Princess, and parts of King, Wellington, Bagot, Clarence, Ontario, Brock, Market Square, Montreal, etc., all connected by the Kingston Street Railway. There are two daily papers published, THE BRITISH WHIG and the Daily News, both papers having weekly editions, and the Canadian Freeman, the leading Catholic organ of Eastern Ontario. The city returns one member for the Dominion Parliament, Sir John A. Macdonald, and one for the Local House, Mr. James H. Metcalfe. Kingston enjoys the proud position of being the soundest city financially, its merchants being considered the most prudent and safest men to deal with. The Limestone City, as it is sometimes called, is also the cleanest and healthiest city in Ontario, being built on the solid rock. The population is increasing and real estate is rapidly rising in value, and Kingston bids at no distant date to be one of the foremost cities of the Province. Kingston is distant from Toronto 161 miles, Montreal 172, Quebec 344, Ottawa 95, Hamilton 200, London (Ont.) 276, Detroit 386, St. John (N.B.) 752, Halifax 828, and Liverpool 2,414 miles. Population, about 21,000; with suburbs of Portsmouth, Barriefield and Garden Island, 23,000.
