GANANOQUE.
MASONIC ODD FELLOW

A large and flourishing incorporated village on the Gananoque river, at its confluence with the St. Lawrence, township and county of Leeds. The former stream is dammed at two places, affording an almost unlimited water power, which has been so far utilized that the village is now one of the most important manufacturing places in the Dominion. Being opposite the most beautiful part of the Lake of the Thousand Islands, celebrated for its scenic and sporting attractions, it is a favorite resort of tourists and pleasure seekers. The steamers of the Canadian Inland Navigation Co., and other lines plying between Montreal, Kingston, Toronto and Hamilton call here regularly. There is a station of the Grand Trunk railway 2 1/2 miles from the village, fare 25c. Montreal Telegraph Co. has an office here. Distance from Clayton, N. Y., 9 miles, from Kingston 18 miles, from Brockville 30 miles, from Montreal 155 miles, from Toronto 178 miles. Mails daily. Population about 2100.
