THE ETNA ROLLER MILLS,

TAVISTOCK, ONTARIO.

Remodelled and Improved. Newest Machinery. Best Flour.
Capacity: 200 Bbls. Per Day.

Some of Our Specialties: "Gladstone," "Etna,"
"Atlantic," "Belmont," "Cream of Wheat," "Manitoba."

Tavistock, August 15th, 1898

We take this opportunity of informing you that the Etna Roller Mills are again in full operation. Since we have shut down we have pushed the work of rebuilding with as much energy as was consistent with good and careful work, and have succeeded in obtaining a MODEL FLOUR MILL, fitted up with all the latest and most improved machinery, second to none in the Dominion.

You are, no doubt, well aware that this section of Ontario is noted for the superior quality of its wheat, and we have no hesitation in saying that the flour from the new mill will be found to be of superior quality. Recent tests by us have proved this to our satisfaction. As personal inspection is given every car shipped, we are in a position to guarantee perfect satisfaction.

England's great Gladstone is dead and gone but his name still lives, and that not only by the results achieved by the Grand Old Man but in the "Gladstone" brand of flour, manufactured by the Tavistock Milling Co. The results achieved by this brand of our flour have been beyond our most sanguine expectations, and are the direct cause of the present increase in our capacity and of our desire to still further improve the merits of this flour. Only new, clean barrels and sacks are used in packing.

We therefore beg to solicit a portion of your trade, and any orders entrusted to any of our agents, or by wire, telephone or mail to us direct, will receive our prompt personal attention. We shall be glad, to hand you, at any time our lowest quotations, and assure you that you will be well pleased with your purchase from us. Yours Very Truly,

The Tavistock Milling Company, Limited.
