PRESTON.

Preston is a charmingly situated village in the County of Waterloo, three miles from Galt, on the line of the Guelph Branch of the Great Western Railway.

Among its most prominent attractions is the Artesian Mineral Spring, the analysis of which is given on next page. The grounds attached are tastefully laid out, and at the Bathing House, Baths can be had at any temperature, at any hour. This resort must recommend itself to invalids in preference to any other in the country, from the fact of its being free from the excitement and noise so usual at such places in large towns and cities.

Patients will be expected to adhere strictly to the regulations prescribed by the Physician in regard to bathing, diet and exercise.

PRESTON

Mineral Baths,

PRESTON, Ontario.

Experience has proved that the continuous use of the water with which the Preston Mineral Baths are supplied, used internally and externally, is of great benefit to invalids suffering from Gout, Nervous Debility, Diseases of the Stomach, Liver and Kidneys, but more especially Skin Diseases.

Sufferers from Rheumatism will find that using these waters will almost always effect a cure.

The Hotel adjoining the Baths has been recently fitted up with an especial view to the comforts of Invalids and Guests. There is a Billiard Parlor, Croquet Ground, &c., attached to Hotel. Livery in Connection.

Stage Line between Preston and Berlin meets G. W. R. and G. T. R. Trains.

Telephone in connection with Hotel.

Reduced Rates by G. T. R. good for thirty days.

FARMERS'

—AND—

BUSINESS DIRECTORY,

FOR THE COUNTIES OF

Brant, Halton, Norfolk, Waterloo & Wellington.

1885-6.

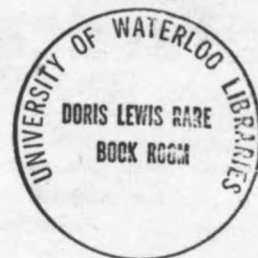

VOL. I.

UNION PUBLISHING COMPANY.

INGERSOLL:

PRINTED BY H. ROWLAND AT THE "TRIBUNE" PRINTING HOUSE, THAMES STREET, 1885.

PREFACE.

The publishers, in presenting the first edition of their Business and Farmers Directory of the counties of Brant, Halton, Norfolk, Waterloo and Wellington, have endeavored to merit the approval of the public, by presenting a work that will be found the most complete of the kind ever published in the district. It will be found to contain more information of a nature valuable to business men of all branches than any other publication heretofore placed in the hands of the people.

Among the contents will be found the name of each farmer and owner or tenant of a lot outside the limits of each city, town, or village, with post-office lot and concession, a complete list of towns, with the business people alphabetically arranged, also a separate list of business people classified with reference to their business. Our Postal and Express Guides will be found invaluable to shippers and business men generally. The whole combined making one of the most complete directories ever published.

A work of this kind involves a great amount of expense and labor, and the publishers have spared neither, but have made every effort to make a reliable work worthy of the confidence of business people.

Thanking those who have kindly given us information, also the business people and the public generally who have given the work their support, we remain,

Respectfully Yours,

UNION PUBLISHING CO.,

Publishers.

Entered according to Act of Parliament in the year
1883, by J. F. Morrey, in the office of the
Minister of Agriculture.
