PREFACE.

In presenting to our patrons and the public, our first issue of the Haldimand, Lincoln, Norfolk and Welland Farmers' and Business Directory, we beg to state that we have spared neither pains or expense in collecting and compiling the information for the work and trust that it will prove to be what we intended, and believe we have succeeded in making it, viz: the best work of the kind ever published in the Province.

The Farmers' Directory will be found a very important feature of this work, as the name, post-office address, number of concession and lot, and whether freeholder or tenant, of each farmer is given. The Classified Business Directory will be found complete, giving the correct post-office address of every person carrying on business in the four counties.

Absolute freedom from errors has seldom or never been attained in Directories, or any other publications, and while we may not claim that ours is an exception to the general rule, we have no hesitation in saying that the errors and omissions, if any are found, will be few and unimportant.

We thank those who have kindly afforded information and assistance, and the many business men who have given the work their support, and congratulate the people upon the substantial revival of business in every section of the country.

Respectfully,

UNION PUBLISHING CO.,
Publishers.
