TESTIMONIALS.

From the many letters sent us with kindly expressions of satisfaction with the College, we give the following :—

From C. E. MARTIN, M. D.,

(Who has removed to Toronto.)

TORONTO, JULY 19TH, 1882.

REV. A. B. DEMILL,

DEAR SIR,—Having been intimately connected with your College for several years, as attending physician, I feel it a duty to express to you my entire confidence as to the efficiency of talent employed and management in your Institution. The order that always seemed to pertain, the kindly feelings among the young ladies, and the general good health of the school, make it a desirable home for those who have daughters to educate. There seems to be an absence of that haughtiness that is too often exhibited by young ladies with such surroundings. I shall gladly do what I can to have young ladies placed under the care of Mrs. Demill, as I feel they will be kindly cared for. I might say, in conclusion, I believe it to be one of the best schools in Ontario for the general education of young ladies.

I remain yours very truly,

C. E. MARTIN, M. D.

From Col. Wm. M. BUTTON, MARKHAM.

BELFORD, JUNE 29TH, 1881.

REV. A. B. DEMILL,

DEAR SIR,—After over four years' experience with your Ladies' College, which time my grand-daughter has been in attendance, I wish to express to you my entire satisfaction as to the thoroughness of the staff of teachers you employ, the table supplies, the careful oversight, especially taken by Mrs. Demill, of the young ladies, which gives to those attending your Institution such uniform good health, and especially the moral and religious interest that teachers and officers manifest in the welfare of those under their care. One feature in the management of your Institution I particularly admire for several reasons, that is the exclusion of day pupils. I can and will cheerfully recommend your school to all who are desirous of placing their daughters in a good Christian home, and especially motherless girls, where their mental and moral culture will be conscientiously attended to. I am glad that we have such a school in our land, where, for a reasonable price, such advantages and surroundings may be had. I think, as a general thing, that parents and guardians do not leave those under their care long enough with you to be sufficiently beneficial to either pupil or school, but expect too much of both in a short time. I, joined by my daughter, sincerely thank you and Mrs. Demill, with the teachers, for your kindness, and wish your College every success.

Yours sincerely,

W. M. BUTTON.

DEMILL Ladies' College

OSHAWA, - ONTARIO,

Makes the best offer in the Dominion of Canada for the education of young ladies.

Terms lower than any other Institution for board and instruction.

Our Scholarship includes both with one single exception, that of private vocal lessons, so that persons desirous of sending away for a higher education can ascertain the cost by consulting our Calendar.

We do not adopt the plan of charging separately for each branch of study taken by the pupil, but give board and all the advantages, including the Ancient and Modern Languages, Music, Fine Arts, Ornamental Branches, Sciences, with as thorough a course in the English as the High School.

The best health record we believe ever shown any where can be given. No physician has been called to our school for the last fifteen months. We were one year and four months and one year and five months before with one exception in which a physician was not called professionally.

Ours is a most beautiful situation, as well as healthful.

We have a large staff of able professors and teachers.

Special attention given to the Musical Department with a full musical course.

No day pupils are taken, which keeps out the gossip of the town, and saves the boarders from the demoralizing influence that such students bring in.

Be sure and write for Calendar, before making arrangements, to

REV. A. B. DEMILL,

President Demill Ladies' College,
