**"JUBILEE COOK."**

Registered 1887.

No. 8-24, Square	No. 8-24, Extended
" 9-24, "	" 9-24, "
" 9-26, "	" 9-26, "
" 9-28, "	" 9-28, "

The "Jubilee Wood-Cook," (shown as above in extended or Reservoir-form) is an entirely new stove, perfect in operation, specially heavy in all parts where weight is necessary, with long full sized fire-chamber and large oven, faultless in design and finish, and made in sizes and at prices that will meet the wants of all.

We cannot too strongly urge upon intending purchasers the advantages possessed by the Reservoir "Jubilee Cook."

At a comparatively small advance over the cost of the ordinary Square, the Reservoir Stove affords a convenience, in the constant supply of hot water that only those who have used this class of stove can fully appreciate.

Do not buy your Kitchen Stove till you have seen the "Jubilee Cook." It is for sale by leading dealers Everywhere.
