A WONDERFUL LAKE.

Eight miles from Cheney, the County seat of Spokana County, Washington Territory, and on the line of the Northern Pacific Railroad, is situated Medical Lake. This Lake is about two miles long, and from a half to three fourths of a mile wide, with an average depth of about eighty feet. It is famous all over the county on account of the peculiar qualities of its waters. When analyzed, they are found to contain sodic and potassic chlorides; lithic, sodic, magnesian, ferrus, and calcic carbonates; sodic silicate, and alumina oxyd.

Now, these well known remedies, coming as they do, direct from nature's own factory, are perfectly pure and correspondingly valuable. Thousands of thousands of wonderful cures are related as the results of drinking and bathing in this Lake.

The waters of the Lake are evaporated and the salts which remain can be sent all over the world, and by putting a small amount into water you obtain the same results as if you were at the Lake itself.

These salts bear the highest endorsement of some of our most eminent physicians, and it is claimed that the powders are a specific for Dyspepsia, Indigestion, Liver, Kidney, Bladder, Blood and Skin troubles, and Sick Headache, Paralysis and Rheumatism. It is the great nerve-giving power.

Following are a few of the testimonials from citizens of London, where these wonderful salts have been introduced for the last few months only:

One of the Best Known Citizens of London Cured of Paralysis.

London, Ont., April 11th, 1888.

J. A. Boulanger, Esq., Dominion Agent for the Medical Lake Salts, London, Ont.:

DEAR SIR,—Permit me to say that I have been afflicted for near two years with nervous paralysis. I have had the best medical skill I could get, but failed to get relief. At your request I tried the merits of the Medical Lake Salts, and I am happy to say with wonderful results. I was afflicted on the right side, my right arm and leg were almost useless, after using the Salts for about two weeks I could walk out for a mile, if I wanted to, and my hand and arm gained very fast in strength. I have been using the Salts now about three months, am feeling well, and have almost regained my usual strength and vigor. I can recommend the medicine, as I know it is good. Other members of my family have tried it for various ailments, and found it good in every case, and believe it will do all it is claimed. Any one desiring to refer to me are welcome.

Yours truly,

STEPHEN SAUNDERS, 527 Dundas St.,

London, Ontario.

P. S.—I know a hundred of our citizens that have been using the Salts with remarkable results.

Robert Hannah, Justice of the Peace.

474 Dufferin Ave., London, says:

This is to certify that I have used the Medical Lake Salts for kidney troubles, sour stomach, sleeplessness, etc., etc. I found great relief in using the Salts from the pain and uneasiness I was suffering. It increased my appetite, and I could relish my food well after using the Salts for a few days. I am 76 years old, and was astonished at the speedy relief I got from the Salts. I can cheerfully recommend the medicine, and wish it all the success it deserves.

London, Ont., April 12th, 1888.

J. A. Boulanger, Esq., City:

DEAR SIR,—At Mr. Saunders' request I send you a testimonial as to what I know about the Medical

Lake situated in Washington Territory, United States. I have been at the Lake and camped on its shores about two years ago. My health was greatly improved by drinking its waters and bathing in the same. I took my son with me to the Lake; he was subject to fainting spells, and had very bad sore eyes. After he had been to the lake three or four days, he was perfectly cured, and has been quite well ever since that time. I saw numbers of people there very sick with dyspepsia, rheumatism, kidney trouble, dropsy, and almost every form of disease. They all seemed to improve in a very short time, and every one I talked with seemed loud in their praises of the wonderful curative power of the water. I can cheerfully recommend to any one who is sick to use the Medical Lake Salts, as I feel assured it will do them good.

Yours truly,

MRS. CHAS. CHAMBERS.

506 Maitland St., London, Ont.

Do you doubt the Rev. H. S. Farrall of Iowa City, Editor of Iowa Methodist, whose wife will gladly inform you of its merits; or Miss Frances E. Willard, President Women's National Christian Temperance Union, who spent two months at the Lake; or Chas. S. Fee, Esq., General Passenger Agent for the Northern Pacific Railway, St. Paul, Minn.; Hon. John Brattain, Baker City Oregon; Hon. J. N. Dolph, Senator for Oregon, Washington, D. C.; Hon. M. C. George, Washington, D. C.; Hon. Z. F. Moody, Governor of Oregon; John Leary, President First National Bank, Seattle, Washington Territory, and many others.

Are you aware that this Company have the sole rights of the Lake, and that the capital stock is \$100,000, fully paid and non-assessable, and have General Martin Bean, President; Prof. F. C. Rutten, Treasurer; and Hon. E. S. McComas, Secretary.

Price \$1 per Box, which will medicate ten gallons of well or cistern water. Sent anywhere by mail on receipt of price.

No matter what your ailment may be, try the merits of the "Medical Lake" Salts.
