WHITE BRONZE

Monuments and Statuary that will not Crack, Grumble or Corrode.

White Bronze Monuments.

The White Bronze Monument Company, of London, Ontario, has been manufacturing the most perfect monuments for the past several years. Their monuments are made of a special alloy of metal which is not only strong and durable, but also has the appearance of the most beautiful marble. They are not affected by frost or rain or storm, and will stand for ever. The monuments are made of a special alloy of metal which is not only strong and durable, but also has the appearance of the most beautiful marble. They are not affected by frost or rain or storm, and will stand for ever.

It is well known that the monuments are made of a special alloy of metal which is not only strong and durable, but also has the appearance of the most beautiful marble. They are not affected by frost or rain or storm, and will stand for ever.

These monuments are made of a special alloy of metal which is not only strong and durable, but also has the appearance of the most beautiful marble. They are not affected by frost or rain or storm, and will stand for ever.
