**Mutual Life Assurance**  
 COMPANY

HEAD OFFICE:  
 WATERLOO, ONTARIO

DOMINION DEPOSIT:  
 \$100,000.00

## THE ONLY PURELY MUTUAL LIFE COMPANY IN CANADA.

Total number of policies in force, Dec. 31st, 1886, .. .. .	7,488
Covering Assurance to the amount of .. .. .	\$9,774,543.00

Net surplus, over all liabilities, Dec. 31, 1886, .. .. .	\$61,849.28
New Assurances written during 1886, .. .. .	\$2,565,750.00

THE following shows the steady progress The Ontario Life has made from a very small beginning, in 1870, until it has attained its present respectable dimensions:

Year	Assets.	Year.	Assets.
1870 ....	\$ 6,216	1878 ....	\$142,618
1871 ....	7,830	1879 ....	177,897
1872 ....	12,246	1880 ....	227,424

1877 ....	110,209	1885 ....	752,661

And for 1886, \$909,804.26!

In addition to the rapid growth of its assets there has been from year to year

**A GAIN IN**

Membership,  
 Premium receipts,  
 Interest receipts,  
 Assurance in force,  
 Gross income,  
 New business,  
 Surplus, and  
 Readily convertible Cash Assets.

The rapid growth of the Company may be seen from the fact that in 1870, the first year of its business, the total assets amounted to only \$6,216, while last year they reached the handsome total of \$909,804.26!

## ITS CASH INCOME AVERAGES NOW OVER \$1,000 DAILY.

The largest and most successful Life Companies in the world are purely mutual, and like THE ONTARIO, furnish assurance at net cost.

THE ONTARIO does a strictly Life Insurance business. It has no speculative feature. It issues no Tontine Policies, at the expense of the many and for the benefit of the few. It has no stockholders—the assets and surplus all belong to the insured.

THE ONTARIO guarantees in plain figures on its policies, under the Company's seal, definite surrender values either in cash or paid up assurance, thereby enabling a member to know the value of his policy at any time, and withdraw without loss in cases of necessity.

WE HAVE AGENCIES IN EVERY IMPORTANT BUSINESS CENTRE IN THE DOMINION! GIVE THE ONTARIO LIFE A SHARE OF YOUR PATRONAGE! IT WILL PAY YOU!

I. E. BOWMAN, M.P.,  
 President.

W. HENDRY,  
 Manager.

W. H. RIDDELL,

**35 FILE CABINET.**

Patented Dec. 31st, 1881, and Jan. 7th, 1885.

The above cut represents a 35 drawer Cabinet Letter File—one of our regular stock—made of black walnut, oil finished, and nickel trimmed. The cut so well describes the system that a description is scarcely necessary.

THE TUCKER FILE is acknowledged by the principal business houses in Toronto and elsewhere to be the best system in the market, for the following reasons:

1st. By means of the automatic suspension device the file drawer is drawn out partly and suspended on the face of Cabinet, enabling the operator to place letters into the file with least possible work, and also of reading the same in the file drawer without removing it.

The reason the Tucker system is supplanting all others is because it is much more accurate, simple and easy to file and refer to letters. Papers are not mutilated by wires, which is the case with punch or wire files. Dates are not destroyed, which is frequent in punch files. Papers are firmly compressed by means of a lever clamp.

### CAPACITY:

THE TUCKER FILE has the largest capacity of any known system no matter how full the File becomes, all papers in it are easy of access.

### TRANSFER CASES:

THE TUCKER TRANSFER CASE is made to take the contents of an individual file, and is simple and most complete.

### SIZES OF CABINETS:

CABINETS, supplied in sizes ranging from 4 files up to 63 in one cabinet; where more files are wanted the Cabinet can be made in two sections.

### WOOD:

Our Cabinets are made principally of Black Walnut, but we make them to order of Cherry, in Mahogany finish, White Ash, and Birch.

### SINGLE FILES & SECRETARIES:

We supply the Tucker Single Letter File, Single Document File, and Little Secretary, the latter is a small single file cabinet with a door and good Yale lock, made for private use. It is an ornament as well as a very useful article of furniture for ladies' use.

The Tucker system of filing was awarded the Diploma over all others at the Industrial Exhibition, Toronto, 1886, and at the American Institute Fair, New York, 1885.

For further information, cuts and circulars will be sent on application.
