Special Advantages.—(1) Separate section for total abstainers, giving them the benefit arising from their superior longevity.

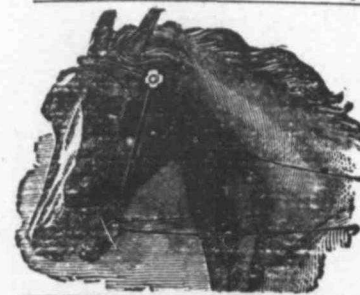

(2) Insurance on all Plans offered to **WOMEN** at the ordinary rates.

(3) No restriction on travel or occupation, except as to military service of a Foreign State.

(4) Policies non-forfeitable. If the assured fails to pay the renewal premiums he is entitled to a paid-up policy for definite amount, or without his application the policy becomes automatically self-extending as term assurance for a prolonged period, within which the claim is good in case of death, or the assured may reinstate the policy by paying up back premiums, with interest; no re-examination required. These advantages are not offered by any other Canadian Company, and our rates average the lowest, hence we give more value for less money than any other Company now doing business in Canada.

Send for circulars, application blanks and terms to agents.
