THE Publisher takes pleasure in presenting to his Patrons the Tenth Volume of the Ottawa Directory under, its present management.

The Book will be found, as usual, divided into Street, Alphabetical, Classified Business, and Miscellaneous Directories; also a complete Directory of the City of Hull, and of the Village of Aylmer, as taken from the latest Voters' List, kindly furnished by Mr. W. R. Kenny, the Clerk; together with a list of the Suburban Villages contiguous to Ottawa.

In order to meet with the approval of the business community, for whom the work is chiefly intended, every effort has been made to secure accuracy in the various departments, up to the date of printing, but as changes and removals are taking place almost daily, absolute correctness is almost impossible.

The Directory will be found neatly printed on good paper, and altogether, it is believed, not unworthy of the Capital. In this hope the work is respectfully dedicated to the Public.

Tailors & Trousermakers, 119 Sparks St.
This hotel has for 27 years been the favorite resort of the travelling public of Europe and the United States, as well as of Canada, when visiting Montreal on business or pleasure.

McGill Street is the great business thoroughfare of the City, and from its proximity to the principal houses of business, justly entitles The Albion to that large and increasing support it is receiving from the Commercial class; while from its favorable position it commands a magnificent view of the River St. Lawrence, the Victoria Bridge, Victoria Square, and Mount Royal.

It possesses every convenience which the travelling community can require, and we trust that our long experience in the business will give confidence to our friends that they will continue to enjoy at The Albion the advantage of a really first-class Hotel at second-class prices.

STEWARTON

Destined very shortly to be an important suburb of the City of Ottawa, is situated on lot F, Rideau Front, in the Township of Nepean and County of Carleton, and runs the whole length of the southern limits of the said city, until it connects with the concession line. It became the property of the late William Stewart, Esq., many years since, but has only been thrown open for general settlement within the last eight years. The present population is about 300.
