PREFACE.

THE Publishers of this Work have used every effort this year to place before the Public as reliable information as could possibly be obtained in the short period of time available, and it is hardly possible to take more pains to make the work more reliable. There are quite a number of persons who evade giving their names from fear of being taxed, and in place give the agents fictitious names. Some of those fictitious names will appear in every Directory published, the Publishers not being able to detect them, however carefully they may try to do so.

In the Business Directory will be found the names of those only who advertise or subscribe to this work.

To the supporters of this work, the Publishers return their sincere thanks.

D. McALPINE’S SONS.
