PREFACE.

The Publishers, in presenting their FIFTH ANNUAL EDITION of the City of Hamilton and County of Wentworth Directory, present their acknowledgments for the kind patronage so liberally bestowed, and beg to state that every exertion has been made to render the work complete and reliable. In a compilation of this kind it is impossible to obtain perfectly accurate information; many persons, misjudging the character of the work, will purposely give false names; others refuse information, and the orthography of proper names offers another great obstacle. We trust this work will contain but few errors and we respectfully urge our claims to lenient criticism.

Our patrons are requested to see that all subscription orders for our next edition bear our name.
