Directory Publishers and Publishers' Agents

The oldest established Directory publishing firm in Ontario, and excepting Messrs. Lovell & Son, of Montreal, in the Dominion. During our long experience we have compiled this class of work for all the cities of Ontario and Quebec with the exception of Montreal, a large number of the counties of Ontario; the Eastern Townships of Quebec, and compiled the Messrs. Anderson's Ontario Directory published in 1869. This experience authorizes us to state that our compilations are as complete as any of the publications of this kind can be. While avoiding all redundancy; cramming the book with matter foreign to the character of this class of books, nothing is omitted that should be included in the legitimate contents of the Directory. Please see list of our publications on page 247.

To avoid the confusion and mistakes resulting from subscribing to Directories of the City of Hamilton, or our other publications, which may be undertaken by outside parties, please observe that all orders bear the name of W. H. Irwin & Co. We are permanent residents of the city, all our agents reside here, the book is printed here and is essentially a local work.

IMPORTERS OF DRY GOODS,

CARPETS, WOOLLENS & FANCY GOODS.

TORONTO,

BEG to call the attention of the Trade that by the combined efforts of expert departmental buyers, going to Britain twice a year, and a resident buyer and staff there, they are enabled by watching the home markets thoroughly to contract and purchase lines of goods not obtainable elsewhere. They can confidently assert that no house in the Dominion has elaborated and systematized their business to such an extent as this firm. The effect and consequence are that year by year the trade constantly and uniformly increases. The stock is always large and varied, and is continually being supplemented by new purchases of the latest novelties and value.

They solicit an inspection at all times. Letter orders or orders through our travelers receive careful and prompt attention, but personal inspection is solicited.
