HORACE WATERS & SON,

No. 481 BROADWAY, NEW YORK. - - P. O. Box 3567.

TESTIMONIALS OF

WATERS' CELEBRATED. PIANOS, CONCERTO AND ORCHESTRAL ORGANS.

THE WATERS' CONCERTO PARLOR ORGANS.—Mr. Horace Waters, of No. 481
 Broadway, has a patented improvement in parlor organs which renders his popu-
 lar instruments preferable to any that we have seen. The new feature consists
 of what is called a concerto stop, produced by an extra set of reeds, peculiarly
 voiced. Its tone is remarkably full, sweet and brilliant, and its power very fine.
 With this stop and the swell, the most charming varieties of expression can
 be produced. The largest of the several sizes embraces ten stops, namely: a rich
 sub-bass, a very delicate piccolo, a flute, melodia, dulciana, forte, viola, coupler,
 the concerto, and a vox humana, or tremolo. They have three full sets of reeds,
 with a clear delicate tone.—*N. Y. Tribune.*

AT THE KINGS COUNTY INDUSTRIAL FAIR—Held in Brooklyn, October, 1837,
 Horace Waters & Son were awarded Diploma No. 1 for Orchestral Organ. The
 Committee of Awards say: "The Orchestral stop in this instrument is a great
 improvement in regard to effect, good tone, and first-class workmanship."—

THE MASON AND HAMLIN ORGANS,

Will be sent free to any one desiring it.

In actual capacity for *variety* in musical efforts, *power, grandeur and sweetness of tone*, they surpass all others, their new VIOL D'AMOUR stop giving the *softest whispering tones of delicious quality*, while in *elegance of finish and style* they are **Models of Beauty**, and are less affected by the most trying changes of climate than *any other Organs*. It looks extravagant to say that, purchasing of us, buyers save at least **Twenty-Five Per Cent**; but we simply beg to direct attention to price list of other makers, and our assertion will be verified. *Illustrated Catalogues* with full descriptions of styles and terms, for cash or time payments; also testimony circulars sent free on application to
