PREFACE.

The publishers, in presenting this their third edition of the City of Kingston and County of Frontenac Directory, desire to state that the object which they trust has been attained, is to provide a work as complete and accurate as compilations of this kind can be. Every house in the city has been visited by our agents and every exertion has been made to secure accurate information.

We intend to issue this work bi-ennially and request our patrons to see that all orders bear our name. We return our thanks to those who kindly aided us in our undertaking.

We beg to call attention to the fact that the houses require re-numbering and the streets re-naming, as several streets have the same name, which is very misleading.

After paying Claims and Bonuses in 1886 \$379,983 was added to the accumulated Fund. In Canada the new business for 1883, 1884, 1885 and 1886 exceeded that of any other British Company, being over \$1,000,000 per annum in sums assured.

The cash bonus declared at the annual meeting on April 7th, 1885, was 22½ per cent. on the life plans, and 15 per cent. on the Endowment, and since the establishment of the Company in 1847, it has not been less than 20 per cent. and 14 per cent. respectively.

Its Canadian investments are large and are constantly increasing. Its rates are favorable, and its system of cash bonuses is very popular.

It has paid during the 40 years of its establishment over \$10,000,000 in claims and bonuses.

Its popularity and prosperity in Canada are shown from the results of the past year's business.

Its Canadian Branch is under Canadian management, all its earnings—besides large sums from England—being invested in the country. Its Policies are issued here, and its claims paid immediately on satisfactory proof of death.

THE CITY OF KINGSTON.

The fifth City in Ontario in population, is situated at the head of the St. Lawrence River and the end of Lake Ontario. It is the principal port for lake navigation in Ontario, possessing the largest and finest harbor in the country. It is a station of the Grand Trunk Railway, and the headquarters of the Kingston & Pembroke Railway. The Public Buildings are very beautiful, the City Hall (the finest one in the Province), the Court House, Post Office, Custom House, Queen's University and College, the Churches and a number of business blocks and private residences. At the Western boundary is located the Kingston Penitentiary, and about a mile West of it the Kingston Asylum for the Insane. Opposite the city is the Royal Canadian Military College, and Garden and Wolfe Islands. Kingston is a military as well as a naval city. Here is stationed "A" Battery, a local troop of cavalry, a field battery, and the 14th Princess of Wales' Own Rifles. The principal business streets are Princess, and parts of Wellington, Bagot, Clarence, Ontario, Brock, Market Square, Montreal, etc., all connected by the Kingston Street Railway. There are two Daily papers published, *The British Whig* and the *Daily News*, both papers having weekly editions, and the *Canadian Freeman*. The city returns one member for the Dominion Parliament, Sir John A. Macdonald, and one for the Local House, Mr. James H. Metcalfe. Kingston enjoys the proud position of being the soundest city financially, its merchants being considered the most prudent and safest men to deal with. The Limestone City, as it is sometimes called, is also the cleanest and healthiest city in Ontario, being built on the solid rock. Two new Railway Stations have been built and also a new Central School, and Kingston bids at no distant date to be one of the most foremost cities of the Province. Kingston is distant from Toronto 161 miles, Montreal 172, Quebec 344, Ottawa 95, Hamilton 200, London (Ont.) 276, Detroit 386, St. John (N.B.) 752, Halifax 828, and Liverpool 2,414 miles. Population, about 16,000; with suburbs of Portsmouth, Barriefield and Garden Island, about 18,000.
