THE REASON WHY  
I SELL CHEAPER  
THAN ORDINARY

HARDWARE MERCHANTS  
IS BECAUSE  
I buy of none but Manufacturers,  
AND  
SELL TO NONE BUT RESPONSIBLE PERSONS,  
CONSEQUENTLY MAKE NO

I buy in large quantities, and conduct my Business on the

**ELORA**—An incorporated village in the township of Nichol, pleasantly and romantically situated near the junction of the Grand and Irvine rivers. The village was laid out in the year 1832 by the late William Gilkison, of Brantford, and in the fall of the same year the village plot was surveyed by Lewis Buswell, and in the following year a bridge was erected across the river, but was subsequently destroyed by the spring floods. The present bridge was erected in 1853. Previous to 1844 little improvement was made. In that year the late Charles Allan formed a company, purchased land, and built the grist mill, stores, &c. Since that time the village has steadily improved. Elora was so called by Mr. Gilkison after the celebrated caves of Elora in India. The first actual settler was Roswell Matthews, who, in 1818, made a clearing at the Falls, his nearest neighbor being eleven miles distant, and the nearest mill (Erbs') near Preston, twenty-two miles distant.

The village is, like Fergus, founded on a limestone base, a rock of which, being probably harder than the portions on each side of it, stands alone in the centre of the river, dividing the rush of the waters. The "Falls" are remarkable for their beauty. Elora was incorporated in 1857. David Foote was the first reeve.

The *Elora Backwoodsman* was the first paper published in the township. It is now replaced by the *Observer*—an excellent journal, devoted to Reform interests.

Elora is thirteen miles from Guelph, (stages leave daily for Guelph,) three from Fergus, thirty-six from Listowell, and fifty-two from Walkerton; Aylmer—five miles; Creek Bank, three; Drayton, seven, and Hollen, five—connecting with Listowell. Population in 1861, 1,043; present population (1867) about 1,400. Churches—Episcopal, Rev. C. E. Thompson; Presbyterian (Old Kirk), Rev. Mr. Duff; Free Church, Presbyterian, Rev. Mr. Middlemass; Wesleyan Methodist, Baptist, and Roman Catholic.

**ELORA FOUNDRY**—D. M. Potter, proprietor. At this establishment all kinds of agricultural implements, threshing machines, geared separators, self-righting reapers and mowers combined, stoves, &c., &c., are manufactured.

**THE ELORA FALLS DISTILLERY**—Fraser & Co., proprietors. Steam and water-power combined. Capacity, 600 barrels per annum.

**ELORA CABINET AND CHAIR FACTORY**—John Mundell, proprietor, Allan street; warerooms on Metcalf street; established eighteen years; water power; employs eight hands; business about \$5,000 per annum.
