ROBERT STEVEN,

LATE SALESMAN FOR

G. HENDERSON, Market Square.

At the request of a number of Ladies we have opened a school for the purpose of teaching the perfect system of

DRESS - CUTTING!

FITTING AND MAKING.

As taught by PROF. MOODY, which has met with so much success wherever introduced and is endorsed by over eighty ladies in this city as the best and only perfect system known, and the one most easily learned.

SATISFACTION GUARANTEED to scholars who for the next Ten Days will be taken at reduced rates.

Cutting and Fitting done at the shortest notice in all styles of Ladies' and Children's Garments.

Scholars who have learned the system are requested to call at the rooms,
Nobles' Block, James Street North.

Ladies desirous of learning how to cut and make every garment worn by ladies and children without the use of paper patterns now have the opportunity of doing so at a small cost, and in a very short time by the use of this system. One person (whose name will be given upon application to the manager) asserts that by his daughter learning it he shall save at least one hundred dollars a year in his family. The outlay of time and money is small while the saving is great when brought into practical use, as well as the satisfaction of saying of a well-fitting and finished dress "I made it myself." Where desired we also take the measure and cut paper patterns in all styles of garments which we guarantee to fit.

Orders taken for systems and PROF. MOODY'S NEW BOOK ON DRESS-MAKING.

PREFACE.

The publishers in presenting the second edition of their Business and Farmers Directory of the counties of Haldimand, Lincoln, Welland and Wentworth, have endeavored to merit the approval of the public, by presenting a work that will be found the most complete of the kind ever published in the district. It will be found to contain more information of a nature valuable to business men of all branches than any other publication heretofore placed in the hands of the people.

Among the contents will be found the name of each farmer and owner or tenant of a lot outside the limits of each city, town, or village, with post-office lot and concession, a complete list of towns, with the business people alphabetically arranged, also a separate list of business people classified with reference to their business. Our Postal and Express Guides will be found invaluable to shippers and business men generally. The whole combined making one of the most complete directories ever published.

A work of this kind involves a great amount of expense and labor, and the publishers have spared neither, but have made every effort to make a reliable work worthy of the confidence of business people.

Thanking those who have kindly given us information, also the business people and the public generally who have given the work their support, we remain,

Respectfully Yours,

UNION PUBLISHING CO.,

Publishers.
