WHITE BRONZE

Monuments and Statuary that will not Crack, Crumble or Corrode.

White Bronze Monuments

The White Bronze Monument Company, of St. Thomas, Ont., are now reaping the harvest of success accruing from the excellence and beauty of their products. Ever since the inception of this new industry their monuments and ornamental goods have been greatly admired, but some were sceptical as to their permanence in our severe and changeable climate, and now that it has been clearly proven that the material is unaffected by frost or sun or storm, and even improves by age, orders are flowing in from the remotest parts of the Dominion. The managers claim that their monuments are especially appropriate in form and design for memorials of our brave volunteers who have fallen in action. Their order book contains orders, received during the past few days, from British Columbia, Nova Scotia, and all the central Provinces. One of these orders is especially suggestive, coming as it does from a distinguished scientist in one of Ontario's seats of learning, who selected the White Bronze for a costly memorial, without solicitation, and simply from his knowledge of the nature of the composition.

It may be added that the joints are so perfectly fused with an indestructible material as to render them as firm and adhesive as if all was cast in one solid form.—*Globe*, June 9th, 1885.

Montreal, Que., Nov. 15, '83
I hereby certify that I have analysed and tested the material called "White Bronze,"

manufactured for monumental purposes by the St. Thomas White Bronze Monument Co., and I find it composed, as represented, of *Refined Metallic Zinc*, of a very superior quality to sheet zinc, and *almost absolutely pure*. Its great durability under all exposure to weather and storm is therefore fully assured by its high quality. And it will resist decay and further oxidation when its surface is once coated. It is then more durable than stone, and will not lose its handsome appearance from generation to generation. I know of no other material which is equally capable of combining elegance of form, beauty of surface and indefinite durability. (Signed) J. BAKER EDWARDS, P. St. D., D. C. L.

These Monuments are practically indestructible, and for beauty of design cannot be surpassed. Designs and prices will be furnished by the County Agents, or by applying to the Company at St. Thomas. **The St. Thomas White Bronze Monument Co.**
Sole right of manufacture for the Dominion. ST. THOMAS, ONT.
