DO YOU KNOW THAT
LUMSDEN & WILSON'S
Royal Glycerated Balsam of Fir

Has continually and rapidly increased in popularity ever since it was first recommended to the public as a cure for

Coughs, Colds, Sore Throat, Hoarseness, Pain in the
 Chest, or Incipient Consumption, &c.

It is undoubtedly one of the most happy combinations of remedial agents ever discovered, astonishingly quick in its action, healing the ulcerated surface, removing all pain, and leaving the throat and bronchial tubes in a perfectly healthy and natural condition. Hundreds of well-known people gladly bear testimony to these facts. If you require any remedy, give it a trial. It is all that it is recommended to be, is equally suitable for all ages, and can be procured from almost any dealer in this section. Price, 50c per bottle, and wholesale or retail from

PREFACE.

The publishers in presenting the third edition of their Business and Farmers Directory of the counties of Middlesex, Huron & Perth have endeavored to merit the approval of the public, by presenting a work that will be found the most complete of the kind ever published in the district. It will be found to contain more information of a nature valuable to business men of all branches than any other publication heretofore placed in the hands of the people.

Among the contents will be found the name of each farmer and owner or tenant of a lot outside the limits of each city, town, or village, with post-office lot and concession, a complete list of towns, with the business people alphabetically arranged, also a separate list of business people classified with reference to their business. Our Postal Guide will be found invaluable to shippers and business men generally. The whole combined making one of the most complete directories ever published.

A work of this kind involves a great amount of expense and labor, and the publishers have spared neither, but have made every effort to make a reliable work worthy of the confidence of business people.

Thanking those who have kindly given us information, also the business people and the public generally who have given the work their support, we remain,

Respectfully yours
